GLENDALE COLONY SCHOOL

Submitted by: Cindy Show

Greetings from Glendale,

Parent teacher conferences were a great success with a 100% parent turnout. The writing assessments have been scored and returned. I am very pleased with the students' results. We have some wonderful writers. Ms. Skunkcap had her monthly library visit. Students exchanged their library books and she read the class a story. The GNP rangers had their monthly visit also. The lesson focused on trees and the effects that forest fires have on them. The school nurses had their annual visit and did student screenings. For Native American month the class read various Native American stories. They also enjoyed a treat of fry bread and peppermint tea. For our art project the students created a class star quilt. We are continuing to practice for our annual Christmas program. It is scheduled for December 15th @ 12:30. We hope you can attend.

Best wishes and Happy Holidays,

Cindy Show
Glendale teacher

BIG SKY COLONY SCHOOL

Submitted by: Ellen Christoferson & Jackie Racine

Happy Holidays. We had a 95% attendance for the month of November. We were able to visit with one or both parents of all our families. We had a "turkey in disguise" contest for the students this month. The students took a paper turkey home and used common objects to decorate their turkey. The students really enjoyed showing their individual creativity. We have been reading about "pioneer times". We decided to make our own butter. Cream and milk were generously donated by the colony and each student took a turn "churning" our mixture into butter. We had a waffle feast to get a taste of our homemade butter and to celebrate Thanksgiving.

Respectfully submitted,

Mrs. Christoferson
