

I recommend accepting the bid for the high school canopy project from Ebert Construction **in the amount of \$178,400**. The bids have been reviewed by the construction committee (Bryan and Mark). A change order will be issued after the bid is accepted, which will reduce the project expense by about \$10,000. This project is part of the original construction project, which remains within the available budget.

**Becker Public Schools
Entry Canopy Addition**
