

2022 - 2023 DRIVEN Virtual Academy School Improvement Plan

Goal 1: Achievement

Increase proficiency by 10% on the State Summative Assessment for all students, with special attention to African American students and others who have been historically disadvantaged for the 2022-2023 school year.

Data

Description: Data is the driver - Your school's Current Reality

-

Interventions:

Description: List all interventions that you are doing, with fidelity, to specifically address this goal.

-

Evidence

Description: Please list and attach as pertinent.

-

Goal 2: Performance Gap

To decrease the performance gap between white students and African American students by 5% in Reading and Math for grades 3-5 through the systematic design, selection and implementation of intervention and enhancement programs that provide effective remediation and/or adaptation to the individual or group needs for the 2022-2023 school year.

Data

Description: Data is the driver - Your school's Current Reality

-

Interventions:

Description: List all interventions that you are doing, with fidelity, to specifically address this goal.

-

Evidence

Description: Please list and attach as pertinent.

-

Evaluation

Description: What is your method of evaluating the effectiveness of these interventions? (Includes how often and documentation /Intervention data) Were there changes as a result of the evaluation? If so, how did you address it?

Goal 3: Participation

To increase by 3% the number and proportion of African-American and disadvantaged students participating in extracurricular activities, gifted and honors programs, and enriched or advanced placement courses for the 2022-2023 school year.

Data
