

DRESS AND GROOMING

The School Board believes that appropriate dress and grooming contribute to a productive learning environment. This policy serves to set expectations for personal cleanliness and clothing that are suitable for the school activities in which they participate. Students have the right to make individual choices from a wide range of clothing and grooming styles that do not present a health or safety hazard or cause an undue distraction which would interfere with the educational process.

The school is a partner in ensuring that each student understands and can successfully meet the dress code and grooming standards. Students and parents/guardians shall be informed about the school dress code at the beginning of the year and when revised. A designated staff member will be available to meet with students and families who do not understand the expectations of this policy or who believe they cannot meet the dress and grooming requirements.

(cf. 4119.22 - Dress and Grooming (staff))
(cf. 5145.2 - Freedom of Speech/Expression)

A student who violates the dress code shall be subject to corrective or disciplinary action. Corrective action should be considered for first offenses unless, in the judgement of the principal or designee, circumstances indicate that disciplinary action is appropriate.

(cf. 5144 - Discipline)

Schools may choose to have temporary alternative clothing available that will permit a student in violation of the dress code to remain at school for the remainder of the school day, subject to the approval of the principal or designee.
