FROM: Steve Mousseau, I.T. Director
SUBJECT: Request to purchase Konica printer/scanner for Treasury

It has come to my attention that the printer/scanner in the Treasury department is broken and costs to repair would exceed the cost of the machine. We currently have a loner machine from Miller Office Supply, but that is very short-term.

We have a quote for a replacement printer/scanner from Miller Office Supply at \$2,696,83. I have requested quotes from 2 other companies but have not received a response yet. Monies would come out of 402-234-980.251.
