Board of Education Report: FY2022-2023 Schedule of Fees

To: Dr. Kent Mutchler, Superintendent
Board of Education

From: Todd Latham, Assistant Superintendent – Business Services

Date: Wednesday, April 4, 2022

Meeting: Monday, April 11, 2022

Agenda Item: *FY 2022-2023 Board of Education Adoption of School Fees*

Policy Reference: 4:140 – Waiver of Student Fees

The Business Office recommends the Board of Education adopt the attached school fees for the School Year 2022-2023. This includes textbooks, consumable materials, extracurricular activities, and other school student fees. Additionally, we present school bus rider fees for those requesting transportation, but live less than 1.5 miles to their school. The Board is asked to approve increases in student meal prices as food service costs aligning with current market rates. The increase in food service fees allows the District to address the increase in minimum wage and attract food service personnel.

The District is required to ensure no student is denied educational services or academic credit due to the inability of parents/guardians to pay fees. The following are also waived for student that meet the eligibility criteria for the fee waiver: athletic participation fees, lock fees, towel fees, shop fees, laboratory fees, field trips, and registration fees. Students receiving a fee waiver are not exempt from charges for lost or damaged books, locks, materials, supplies, and equipment.
