DESCRIPTION:

Lisa (Elizabeth) Nordmeyer, BHS French Teacher

Requesting final approval for our French/American exchange program. Bi-annual travel to France has been occurring since 2008, and this specific exchange with our sister school in Bergerac, France since 2011. We will be traveling with 25 students (17 girls and 8 boys) to complete the exchange with 25 students who visited the BHM community in April of 2018. All students traveling are juniors or seniors, and are currently completing, or have completed, French levels III, CISIV, or CISV. Travel will include six (6) nights in a family stay, and three (3) nights in Paris. This is an addition of one more night in the family stay: 1. upon request of the hosting community for students to have a longer experience, and 2. adding the extra night moved the direct flight availability within budget.

Dates of travel: Wednesday, March 27th to Saturday, April 6th. Students will be missing one and a half days of class for travel.
