Thank you SMART !!!!! :

SMART (Start Making a Reader Today) is a program run strictly by volunteers in supporting our students and the development of their reading ability. This year at Evergreen we focused on supporting our kindergarten students by making sure they had time to read with a volunteer at least 2 times a week for 30 minutes. *We are still looking for a few more volunteers, so please contact Evergreen if you have the time and would like to read with our kindergartners.* This is a great opportunity for our kids to practice and enjoy reading with a valued community member. A special thanks needs to go to our new **SMART Volunteer Coordinator, Dale Menard**; she goes above and beyond to support our kids, volunteers, and Evergreen. Since we started SMART in January, we have served 67 students, given away 254 books, and had 16 community volunteers who have volunteered 126.5 hours to date.

We truly appreciate and support the SMART Volunteers and program at Evergreen Elementary!!!!

THANKS for all you help in developing our young readers; one reader at a time!!!!
