Operational Services

Transportation

Mid-Valley Special Education Cooperative shall arrange transportation of Member Districts' pupils attending MVSEC programs and allocate costs to Member Districts accordingly.

School employees may transport students in school vehicles only when authorized by the administration. No employees may transport students in private vehicles.

Every vehicle regularly used for the transportation of students must pass safety inspections in accordance with State law and Illinois Department of Transportation regulations. The strobe light on a school bus may be illuminated any time a bus is bearing one or more students. The Executive Director shall implement procedures in accordance with State law including, without limitation, legal requirements concerning accepting comment calls about school bus driving, pre-trip and post-trip inspections, restriction on the use of cell phones, and provisions of emergency medical information for student having special needs or medical conditions.

All contracts for charter bus services must contain the clause prescribed by State law regarding criminal background checks for bus drivers.
