November

Dear Evergreen Families,

The school year is off to a nice start. Students have settled in nicely. Small groups, interventions, and specials are in full swing. This month we celebrate and reflect on all the things we are thankful for. Children are an incredible gift. I challenge you this month to spend time with your children counting those blessings, and spending time with one another. This month lends itself to that as we have a handful of vacation days. Please note the days there is no school. Fall conferences are this month: **Wed 11/3, Thurs 11/4, and Fri 11/5**. Your child would have brought home your scheduled time. Please use this time to work with your child's teacher on ways you can support your student at home. I would like to give a special thank you to our current PTO members for helping pull off our first **TRUNK or TREAT**. Students would like to thank the teachers and students of IVHS's wood shop and art department for creating and painting the fun photo backdrop for this year's event.

Sincerely,
Jenny Jones (Principal)

This month:

11/3-11/5 Conferences

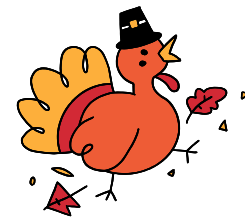

11/11 Veteran's Day (No School)

11/24-11/25 Thanksgiving break (No School)

Did you know?

The Wampanoag people brought deer to the first Thanksgiving. Culinary historians also believed that mussels, lobster, and bass were featured because of how plentiful they were in New England.

Thanksgiving is not just observed in the United States. It's also observed in Canada, Grenada, Saint Lucia, and Liberia.

Q: If April showers bring May flowers, what do May flowers bring?

A: Pilgrims.
