Subd. 2. Requests: Requests for personal leave must be made in writing to the Superintendent at least 3 days in advance, except in the event of emergencies.

Subd. 3. Number of Teachers: No more than 3 teachers may be granted a personal leave day on the same day per building for a maximum of 6 teachers total on any given day.

Subd. 4. Personal Leave Exclusion: A personal leave day shall not be granted, except in an emergency, the first and last days of the school year.

~~*Subd. 5. Personal Leave Buyback:* At the end of each school year a teacher who has accumulated in excess of 3 personal days shall receive payment in the amount of \$125 per full day over and above the 6 personal days.~~

Subd. 5. Personal Leave Buyback:

~~At the end of each school year (June 30), any teacher who has accumulated more than two (2) personal leave days shall receive payment at the rate of one hundred twenty-five dollars (\$125.00) per full day for each day carried over in excess of two (2). Payment shall be made in the final payroll of the fiscal year.~~

Section 3. Child Care Leave:

Subd. 1. Use: A child care leave may be granted by the School District, subject to the provisions of this section, to a teacher-parent of a natural or adopted child, or other child for whom the teacher is responsible, provided such teacher-parent is caring for the child on a full-time basis.

Subd. 2. Request: A teacher making an application for child care leave shall inform the Superintendent in writing of the request to take the leave at least 3 calendar months before commencement of the intended leave. In the event that this time period is not

possible, the Superintendent shall have the authority to waive the 3-month notification period.

Subd. 3. Medical Statement: A teacher will provide, at the time of the leave application, a statement from the attending physician indicating the expected date of delivery.

Subd. 4. Date of Leave: The School District may adjust the proposed beginning or ending date of a child care leave so that the dates of the leave are coincident with some natural break in the school year – i.e., winter vacation, spring vacation, semester or quarter break, end of a grading period, end of the school year, or the like. The availability of a substitute teacher may also be considered by the School District in the granting of a child care leave or the duration.

Subd. 5. Duration: In making a determination concerning the commencement and duration of a child care leave, the School Board shall not, in any event, be required to:

- (1) grant any leave for more than 12 months in duration;
- (2) permit the teacher to return to employment prior to the date designated in the request for child care leave.

Subd. 6. Reinstatement: A teacher returning from child care leave shall be reinstated in a position for which he/she is licensed and qualified unless previously discharged or placed on unrequested leave of absence.

Subd. 7. Failure to Return: Failure of a teacher to return pursuant to the date determined under this section shall constitute grounds for termination unless the School District and the teacher mutually agree in writing to an extension in the leave.

Subd. 8. Salary and Fringe Benefits: Leave under this section shall be without pay or fringe benefits.

Section 4. Merit Leave: Merit leaves may be obtainable after 10 years and accumulated at the rate of $\frac{1}{2}$ day per year. The teacher requesting merit leave must pay his/her substitute. The maximum number of days taken may not exceed 10 days. Once the merit leave time has been granted, that time is used up and must be earned by additional years of service to be obtainable again. (example: a teacher wishes to use 5 days of merit leave after the 10th year of teaching; in order to qualify for another leave, he/she must begin acquiring the time at the rate of $\frac{1}{2}$ day per year; after 12 years of service (2 additional years), another day's merit time would be available: $\frac{1}{2}$ day x 10 years of service = 5 days leave time earned; then $\frac{1}{2}$ day x 2 more years of service = 1 additional leave day earned. The teacher requesting merit leave shall notify the School District in writing at least 2 weeks prior to the date for any intended use of such leave. A maximum of 2 teachers may be allowed merit leave at the same time. Any teachers hired on or after July 1, 2000, will not be eligible for merit leave.

prescribed by the State of Minnesota to request leave.

Subd. 3. Any subsequent changes in premium will be split with the employer paying fifty percent (50%) and the employer paying fifty percent (50%).

Section 5. Unrequested Leave of Absence The board may place on unrequested leave of absence, without pay or fringe benefits, as many teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts. The leave, the board is governed by the following provisions:

(a) A teacher who has acquired continuing contract rights must not be placed on unrequested leave of absence while probationary teachers are retained in positions for which the teacher who has acquired continuing contract rights is licensed;

~~(b)~~ (b) Teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed in the inverse order in which they were employed by the school district. ~~Teachers working in Out-of-Field Permission (OFP) assignments shall earn seniority only in their underlying area of licensure and not in the subject area of the OFP.~~

Formatted: Strikethrough

~~(b)~~(c) In the case of equal seniority, the order in which teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed is at ~~the District's~~ Discretion;

~~(c)~~(d) Notwithstanding the provisions of paragraph (b), a teacher is not entitled to exercise any seniority when that exercise results in that teacher being retained by the district in a field for which the teacher holds only a provisional license, as defined by the Professional Educator Licensing and Standards Board, unless that exercise of seniority results in the placement on unrequested leave of absence of another teacher who also holds a provisional license in the same field.

~~(d)~~(e) Notwithstanding paragraphs (a), (b), and (c), if the placing of a probationary teacher on unrequested leave before a teacher who has acquired continuing rights, the placing of a teacher who has acquired continuing contract rights on unrequested leave before another teacher who has acquired continuing contract rights but who has greater seniority, or the restriction imposed by the provisions of paragraph (c) would place the district in violation of its affirmative action program, the district may retain the probationary teacher, the teacher with less seniority, or the provisionally licensed teacher;

~~(e)~~(f) Teachers placed on unrequested leave of absence must be reinstated to the positions from which they have been given leaves of absence or, if not available, to

other available positions in the school district in fields in which they are licensed. Reinstatement must be in the inverse order of placement on leave of absence. A teacher must not be reinstated to a position in a field in which the teacher holds only a provisional license, other than a vocational education license, while another teacher who holds a non-provisional license in the same field remains on unrequested leave. The order of reinstatement of teachers who have equal seniority and who are placed on unrequested leave in the same school year is at the District's Discretion;

- ~~(f)~~(g) Appointment of a new teacher must not be made while there is available, on unrequested leave, a teacher who is properly licensed to fill such vacancy, unless the teacher fails to advise the school board within 30 days of the date of notification that a position is available to that teacher who may return to employment and assume the duties of the position to which appointed on a future date determined by the board;
- ~~(g)~~(h) A teacher placed on unrequested leave of absence may engage in teaching or any other occupation during the period of this leave;
- ~~(h)~~(i) The unrequested leave of absence must not impair the continuing contract rights of a teacher or result in a loss of credit for previous years of service;
- ~~(i)~~(j) The unrequested leave of absence of a teacher who is placed on unrequested leave of absence and who is not reinstated shall continue for a period of three years, after which the right to reinstatement shall terminate. The teacher's right to reinstatement shall also terminate if the teacher fails to file with the board by April 1 of any year a written statement requesting reinstatement;
- ~~(j)~~(k) The same provisions applicable to terminations of probationary or continuing contracts in subdivisions 5 and 7 must apply to placement on unrequested leave of absence;
- ~~(k)~~(l) Nothing in this subdivision shall be construed to impair the rights of teachers placed on unrequested leave of absence to receive unemployment benefits if otherwise eligible.

***Tie breaking language**

- Total graduate credits beyond a master's degree
- Total graduate credits beyond a bachelor's degree

A final seniority list shall thereupon be prepared by the School District and shall be binding on the School District and any teacher. Each year thereafter the School Board shall cause such seniority list to be updated to reflect any addition or deletion of personnel caused by retirement, death, resignation, other cessation of services, or new employees. Such yearly revised list shall govern the application of ULA until thereafter revised.

ARTICLE XIII: GRIEVANCE PROCEDURE

Section 1. Grievance Definition A “grievance” shall mean an allegation by a teacher or EMM resulting in a dispute or disagreement between the teacher or EMM and the School District as to the interpretation or application of terms and conditions of employment contained in this Agreement.

Section 2. Representative The teacher, EMM, administrator, or School District may be represented during any step of the procedure by any person or agent designated by such party to act in the party’s behalf.

Section 3. Definitions and Interpretations

Subd. 1. Extension: Time limits specified in this Agreement may be extended by mutual agreement.

Subd. 2. Days: Reference to the word “days,” regarding time periods in this procedure shall refer to working days. A “working day” is defined as all weekdays not designated as holidays by state law.

Subd. 4. Filing and Postmark: The filing or service of any notice or document required by this Agreement shall be timely if it bears a postmark of the United States mail with the time period.

Section 4. Time Limitation and Waiver Grievances shall not be valid for consideration unless the grievance is submitted in writing to the School District designee, setting forth the facts and the specific provision(s) of the Agreement allegedly violated and the particular relief sought within 20 days after the date the event giving rise to the grievance occurred. Failure to file any grievance

[Return to Table of Contents](#)

within such period shall be deemed a waiver of the grievance. Failure to appeal a grievance from one level to another within the time periods provided below shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the grievant and the School Board's designee. EMM reserves the right to review all grievances prior to Level I.

Section 5. Adjustment of Grievance The School District and teacher and/or EMM shall attempt to adjust all grievances that may arise during the course of employment of any teacher within the School District in the following manner:

Subd 2. Level II: In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the Superintendent, provided such appeal is made in writing within 5 days after receipt of the decision in Level I. Within 7 days after the meeting, the School Board shall issue its decision in writing to the parties involved. At the option of the School Board, a School Board member or representative(s) may be designated by the School Board to hear the appeal at this level and report its findings and recommendations to the School Board. The School Board shall then render the decision.

Section 6. School Board Review The School Board reserves the right to review any decision issued under Level I or Level II of this procedure provided the School Board or its representative(s) notifies the parties of the intention to review within 10 days after the decision has been rendered. In the event the School Board reviews a grievance under this section, the School Board reserves the right to reverse or modify such decision.

Section 7. Denial of Grievance Failure by the School Board or its representative(s) to issue a decision within the time periods provided in this article shall constitute a denial of the grievance, and the grievant may appeal it to the next level.

Subd 1. Request: A grievance to be submitted to arbitration must be in writing signed by the aggrieved party and must be filed in the office of the Superintendent within 5 days following the decision in Level III.

1. The issues involved,
 2. Statement of the facts,
 3. Position of the grievant,
 4. The written documents relating to Section 5. above.
- Subd 5. Hearing:* The grievance shall be heard by a single arbitrator, and both parties may be represented by such person or persons as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing de novo.
- Subd 6. Decision:* The decision by the arbitrator in cases properly before him/her shall be final and binding upon the parties, subject, however, to the limitation of arbitration decisions as provided in the PELRA.

School District to efficiently manage and conduct its operation with the legal limitations surrounding the financing of such operation.

ARTICLE XIV: RETIREMENT (403(b)) BENEFIT

Section 1. Purpose The retirement (403(b)) benefit provides for the optional participation of the teacher together with a matching contribution by the School District as described in the subsequent sections. This benefit is subject to the requirements of applicable federal and state laws, regulations, and rules.

Section 2. Eligibility All teachers are eligible to participate in the retirement (403(b)) benefit. Only full-time teachers, however, are eligible to receive a matching contribution by the School District. In order to count as a year of service in the School District, the teacher must have been actively employed (on paid status) for at least 150 duty days during the school year. Time spent employed in a substitute capacity does not count toward this eligibility requirement. These requirements shall also apply when calculating, under Section 3., Subd.1. below, the amount of the School District's matching contribution, including, but not limited to, the requirement that the level of the School District's matching contribution depends upon the teacher's continuous, full-time years of service.

Section 3. Amount of School District Match

Subd. 1. School District Contributions: Subject to all requirements contained in this article, the School District's matching contribution shall be determined as follows:

Subd. 2. Maximum District Contributions: The maximum lifetime School District matching contribution per teacher is ~~\$30,000~~ \$35,000.

Subd. 3. School District Contributions Rates:

Matching Contributions beginning with the Contract Year 20253-20264

Years of Full-Time Certified Service in the School District;	Maximum Annual School District Matching Contribution;
0-3 years	\$750
4-8 years	\$1,000
9-13 years	\$1,500
14 years and beyond to 24	\$2,000
<u>25 years and beyond</u>	<u>\$3,000</u>

A teacher who was full-time and reduced to part-time will be able to maintain his/her previous eligibility when the teacher returns to full-time status. Should a teacher be employed less than 150 duty days during a school year, the teacher's years of service will not start over at 1 for the purpose of later determining the teacher's retirement (403(b)) benefit. Such a teacher will be able to maintain his/her previous years of eligibility when the teacher returns to at least 150 duty days of active, paid employment.

[Return to Table of Contents](#)

Section 4. Teacher Contribution Requirements

- Subd. 1. Election:* In order to receive a School District matching contribution, a teacher must elect, on the appropriate form his/her 403(b) contribution and select the School District approved provider for his/her contribution. The teacher's election shall not be subject to revocation or modification for the remainder of the school year. Once an eligible teacher elects to participate in the 403(b) annuity matching program said election shall continue each subsequent year unless modified by the teacher who must notify the School District and annuity carrier.
- Subd. 2. Teacher Match:* A teacher may elect to contribute more to the selected program than the School District's match.
- Subd. 3. Unpaid Leave:* A teacher on an unpaid leave of absence may not participate in retirement (403(b)) benefit.

Section 5. Claims Against the School District Any description of benefits contained in this article is intended to be informational only, and the management of contributed funds is the responsibility of the teacher and the provider selected by the teacher. The School District's only obligation is to make contributions as specified in this article, and no claim shall be made against the School District for any action taken or not taken relating to the benefits provided in this article. The exclusive representative agrees to defend and indemnify the School District in the event any such claim is made against the School District.

ARTICLE XV: DURATION

Section 1. Term and Reopening Negotiations This Agreement shall remain in full force and effect for a period commencing on July 1, ~~2023~~2025, through June 30, ~~2025~~2027, and thereafter as provided by the PELRA. If either party desires to modify or amend this Agreement commencing on July 1, ~~2025~~2027, it shall give written notice of such intent to the other party no later than May 1, ~~2025~~2027. Unless otherwise mutually agreed, the parties shall not commence negotiations more than 120 days prior to the expiration of this Agreement.

Section 2. Effect This Agreement constitutes the full and complete Agreement between the School District and the exclusive representative. The provisions of this Agreement relating to terms and conditions of employment supersede any and all prior Agreements, resolutions, practices, and School District policies, rules, or regulations concerning terms and conditions.

Section 3. Finality Pursuant to M.S. 179A.20, Subd. 3., any matters relating to the current Agreement term, whether or not referred to in this Agreement, shall not be open for negotiation during the term of this Agreement.

Section 4. Severability The provisions of this Agreement shall be severable, and if any provision or the application of any such provision under any circumstances is held invalid, it shall not affect any other provisions of this Agreement or the application of any provision.

Section 1. Earned Sick and Safe Time (ESST):

Subd. 1. Earning: Teachers begin accruing Earned Sick and Safe Time (ESST) from their first day of employment. ESST applies to all teachers (including temporary and part-time teachers) anticipated to perform work for at least 80 hours during a year.

Subd. 2. Accumulation and Carryover:

(1.) For (POSITIONS), ESST accrues at a rate of (INSERT ACCRUAL RATE—MUST BE AT LEAST 1 HOUR FOR EVERY 30 HOURS WORKED). Teachers can accrue up to (INSERT ACCRUAL MAXIMUM, MUST BE AT LEAST 48 HOURS IN A YEAR). Unused ESST hours carry forward from year to year. However, at no time can a teacher's accrued ESST balance exceed (INSERT ACCRUAL MAXIMUM—MUST BE AT LEAST 80 HOURS).

Or

For (POSITIONS), (INSERT NUMBER OF HOURS—MUST BE AT LEAST 48) hours of ESST are provided to a teacher and made available for immediate use at the start of each year. Unused ESST hours are paid out at the end of the year at the teacher's base rate of pay.

Or

For (POSITIONS), (INSERT NUMBER OF HOURS—MUST BE AT LEAST 80) hours of ESST are provided to a teacher and made available for immediate use at the start of each year. Unused ESST hours are not paid out at the end of the year, nor are ESST hours carried over into the following year.

(2.) The year shall be defined as (DEFINE HOW THE 12-MONTH PERIOD IS CALCULATED, SUCH AS CONTRACT YEAR OR FISCAL YEAR).

Subd. 3. Use:

(1.) ESST can be used for certain reasons, including when a teacher is sick, to care for a sick family member or to seek assistance if a teacher or their family member has experienced domestic abuse, sexual assault or stalking. Minnesota Statute, section 181.9447 defines the eligible uses of ESST. Minnesota Statute, section 181.9445 defines family member.

Subd. 4. Weather Events and Other Public Emergencies: The School District reserves the right to deny a teacher's request for ESST due to the closure of the workplace due to weather or a public emergency, or need to care for a family member whose school or place of care has been closed due to weather or other public emergency pursuant to Minnesota Statute, section 181.9447, subdivision 1, clause (4).

NOTE: If adding this subdivision to the master agreement, this specific statute must be cited.

Subd. 5. Notice: If the need for the leave is foreseeable, teachers must provide at least seven (7) days' advance notice. However, if the need is unforeseeable, teachers must provide notice of the need for ESST as reasonably required by the employer.

Subd. 6. Documentation: The employer may require appropriate supporting documentation (such as medical documentation supporting medical leave, court records or related documentation to support safety leave) in accordance with ESST statute.

NOTE: In 2024, documentation and notification exceptions were added. For paid leave accrued prior to January 1, 2024, for absences from work due to personal illness or injury, an employer may require a teacher who uses such leave to follow the written notice and documentation requirements in the employer's applicable policy or applicable collective bargaining agreement as of December 31, 2023, in lieu of the requirements of ESST, provided that an employer does not require a teacher to use leave accrued on or after January 1, 2024, before using leave accrued prior to that date.

Subd. 7. Replacement: The employer shall not require a teacher using ESST to find a replacement worker to cover the hours the teacher will be absent.
