

Subject: Crossing Guards
Date: June 3, 2025

It is recommended by the Superintendent that the Board of Education discuss crossing guards.

- The district currently employs 9 crossing guards (via direct employment and/or a third party service) including 7 in Villa Park and 2 in Lombard.
- In Villa Park, the Police Department determined which intersections needed crossing guards.
- In Lombard, the Deputy Chief of Operations at the Lombard Police Department determined which intersections needed crossing guards.
- Funding sources have changed over the course of the last several years.
