**UISD Textbook Adoption
MINORITY REPORT FORM**

Any textbook adoption committee member who has an objection to the final recommendation presented to the United I.S.D. Board of Trustees may express the objection in this manner.

I, Dalia Y. Ramirez, do not agree with the final recommendations of the textbook adoption committee for subject Math. The final recommendation of the committee was for the textbook Macmillan/McGraw Math by the publisher Macmillan McGraw. Stated below is the rationale for my objections.

As a representative for my campus, I feel
the need to object to a publisher other than
what my campus voted for.
