Background Information

The Cooks' Association Agreement for 2021- 2023 is presented for approval. Highlights of the agreement include:

- 2% increase on step 5 of cooks' pay scale
- Higher percentage increases for steps 3 and 4
- Additional pay for Colvill cook due to extra responsibilities
- Change in normal and E-Learning closures
- Increase in district contributions to health insurance
- Increase in number of unpaid days allowed in a career
- Numerous language changes

Estimated two-year costs are \$50,613, which is \$12,673 over the budget. Committee members and I believe this is an appropriate settlement because of the need to increase health insurance contributions and steps 3 and 4 of the agreement.

Recommendation

I move to approve the Cooks' Association contract as presented.
