Waskom ISD Board Members and Superintendent Jimmy Cox:

I am submitting my letter of retirement to take effect on June 30, 2012. It has been my pleasure and great experience to work in the Waskom School District for the past three years, but because of health issues, I find it necessary to make this decision.

A special thanks to Mr. Stuart Musick for his effective leadership and to all the staff of Waskom High School for their efforts in educating our students.
