### AGENDA TOPICS 4-6-16

#### 3:30PM

- PARCC: QUESTIONS/CONCERNS
  - Mrs. Miller discussed the current issues that schools were having with the test and the importance of being proactive and not reactive. Mrs. Miller led another training session at the conclusion of the meeting.
- SUMMER SCHOOL PROPOSAL
  - Due to the success of last year's program, the session will run in the same manner, with a few changes. The two sites will be Bryant and Whittier. The first session will be enrichment (June 6<sup>th</sup> – July 1<sup>st</sup>) and the second session will be academics (July 5<sup>th</sup> – July 29<sup>th</sup>). The consensus was that sessions will run Mon-Thurs and that transportation will be the parent's responsibility. ESY (SPED) students will run both sessions.
- BELL SCHEDULE
  - Mr. Rizzo distributed a proposed bell schedule, in efforts to alleviate transportation costs. Currently our costs are estimated at 1.4 million dollars. The proposed schedule is: Brooks – 8:24a until 2:24p & the K-6 buildings remaining the same. Further discussion will occur with the union to ensure that contractual obligations are adhered to.
- NEWSLETTERS
  - Discussion was had about newsletters, in order to alleviate the issues from the last distribution. Principals will get layouts to the Administrative Team (by way of Mr. Moore) by 4/22. A final review will occur and the letters will be sent to the printer by 4/29 and mailed by 5/6.
- RELAY FOR LIFE
  - The district page will be set up again so that schools can distribute to their students and begin raising funds. Last year the district was the top fundraising team for the Harvey-Markham relay and Holmes was the leading school (raising almost \$800 dollars). This year's walk is June 24<sup>th</sup>.
