Substitute Teachers

The Board of Education is permitted to employ a person who lacks substitute teacher authorizations as a substitute teacher in the same assignment for a period not to exceed 60 school days. Principals will make every effort to maintain as much continuity of instruction as possible by engaging only one substitute teacher for the full period of absence of one teacher and by calling back a substitute to serve in a classroom in which he/she/they performed successfully.

Each substitute teacher is expected to carry out all of the normal functions of the classroom teacher, i.e. maintaining classroom instruction at an optimum level. Also, they will assume normal teacher responsibilities which are part of the building routine such as corridor, bus or study hall duty, cafeteria duty, etc. Each substitute will receive the New Fairfield “Substitute Handbook”.

Substitutes are employed “at will” and may be dismissed at any time by the Superintendent or designee. Substitutes are not entitled to receive fringe benefits.

The per diem rate for short-term and long-term substitutes shall be set by the Board on an annual basis. The Superintendent may, at his discretion, offer a higher rate of pay to those persons who are employed as substitutes in shortage areas.
