## Update on the activities going on at Babb during & after school

December was a busy month at Babb Elementary. It was our first play in over three years. It took a lot of planning, but it was worth it. Parents and community members helped decorate the gym. We had community volunteers help put up our stage. It was nice knowing we have support from our parents and community members. Teachers and TAs put a lot of effort into making this possible. Students had to be very patient and attend many rehearsals so that they knew their lines and the songs. We couldn't be more proud of our students. Students had the opportunity to cut and decorate many sugar cookies for the play. They had fun decorating the cookies for their parents and all the people that came to the play.

The 3-6 grade students reached their reading goal and were able to have an ice cream party. Over half of the 3rd graders were able to move up to a higher reading group.

We want to thank everyone who helped make this possible: JOM for donating the candy and snacks, BHS for lending us the microphone stands, maintenance for delivering the extra chairs, and Blackfeet Veterans Toys for Tots for the gifts for children.

## SHOUT OUTS

We would like to give a huge shout out to Darren Wing for all of his awesome help & support in getting the Christmas play off & running & just his overall professionalism that he displays. We would also like to give a Shout Out to Richard Sanchez and Kyle Coursey for your excellent work in getting the heat back on in the school. We really appreciate all that you do for the Babb staff and students.
