RE: Purchase of Service Agreement: B-2 Facilitator
Faribault/Northfield

Please consider approving the Purchase of Service Agreement between Faribault and Northfield for a B-2 Facilitator. Currently, the B-2 Facilitator is an employee of the Faribault Public Schools and Northfield would like to continue purchasing some of her services. Based on the December 1 child count for the previous year, Northfield's portion of her total salary and supplies will be 45%.

If you have any questions, please contact me. Thanks!
