

# One91 Indian Education Program Plan (IEPP) - Report

February 20, 2020

***Future Ready. Community Strong.***

# Presentation Purpose

- Provide an overview of One91's Indian Education Program Plan (IEPP)
- Share examples of how the plan and funding have supported American Indian education in our district
- Approve the American Indian Family Advisory Committee's (AIFAC) concurrence status.

# World's Best Workforce Area 1

## All Children Ready for School

**Goal:** Increase number of American Indian students enrolled in early childhood and participating in early childhood screening

### Strategies:

- Active recruitment at community events
- Engage early childhood staff in professional learning experiences specific to working with American Indian students

## World's Best Workforce Area 4

### All Students Attain Career and College Readiness

**Goal:** Increase middle school students attending targeted college experiences

Increase proficiency on Minnesota Comprehensive Assessments in reading and math

#### **Strategies:**

- Provide academic support for students that support academic achievement and foster relationships
- Provide opportunities for students to visit and tour 2- and 4-year colleges and universities
- Hold a Native American College Fair and participate in high school financial aid sessions
- Provide students and families opportunities to engage in heritage programs

# Drum and Dance Class 19-20

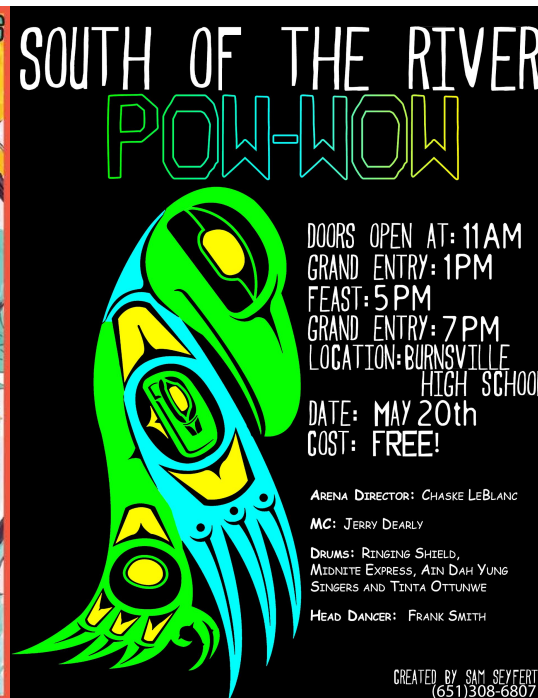

- Partnership with the South Metro Indian Education Committee

# South of The River Powwow

The powwow is funded by donations and South Metro Indian Education Committee. The powwow will be at Burnsville High School

# **American Indian Parent Advisory Committee Concurrence Status**

# Thank You
