**Superintendent:** Dave Valenzuela

**Administrator/Staff:** Casey Alderson

**Type of Item:** ☐ *Informational* ☒ *Action*

**Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?**

I am asking the board to approve our Alternative Education. School districts shall adopt policies and procedures for the approval and annual evaluation of alternative education programs under ORS 336.615-336.665 (Alternative Education Programs) that receive public funds." OAR 581-022-1350(2). "Each school district operating, participating in or contracting for a public or private alternative education program shall evaluate the program annually. The district shall provide the public or private alternative education program with a copy of the written evaluation." ORS 336.655.

**Provide history/background information on your proposal:**

ODE now requires district approval of the alt ed checklist as part of their Division 22 Standards.

**List the advantages of your proposal:**

Inn Sight provides a valuable placement for Three Rivers SD high school students and is a key component to increasing our graduation rates.

**List possible disadvantages of your proposal:**

Not approving this would eliminate our ability to serve a key portion of our population that need a small populated alternative education placement.

**List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?**

The only alternative would be not serving these students in an environment they are proving to be successful in.

**Superintendent's recommendation(s):**

**Approve:** Yes ☐ No ☐
