

Exemptions

A student in grades 9–12 shall be exempt from the ~~spring~~ semester exam ~~for either the fall or spring semester in a class~~, provided that the student has no more than five tardies in that class and meets one of the following academic average/absence criteria for that class:

- Has a 95–100 semester grade average and no more than three absences.
- Has a 90–94 semester grade average and no more than two absences.
- Has an 85–89 semester grade average and no more than one absence.
- Has an 80–84 semester grade average and no absences.
- Has passed ~~the subject area on the~~ all five state-mandated EOC assessments or the Texas Success Initiative Assessment 2 (TSIA2) in both math and reading and has no more than four absences. ~~Parent approval shall be required for this option only.~~
