Mr. Hampton,

I am a resident who was present at the board meeting of November 19, 2024 and am formally requesting a FOIA disclosure for activity during that board meeting.

I am requesting cell phone activity specifically of board member Thomas Fitzpatrick from the hours of 5:00 pm through the end of the open session on that date. This would include calls, texts, or any other communication by Mr. Fitzpatrick to or from any person or entity specifically regarding any school board business.

I am requesting this information on my own behalf as a resident of School District 204.

Please advise of next steps or any other information you need of me.

Thank you.

Daniel Lynn
