

**GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: **February 21, 2017**

TITLE: **Approval of Changes to the Entity Profiles at the Arizona Department of Education**

BACKGROUND:

The Arizona Department of Education (ADE) requires that Governing Boards approve the modification of the Entity Profile for each school. The ADE data system allows certain special needs students to be reported as an Ungraded Elementary (UE) student rather than reporting their grade as a Kindergarten through 5th grade student.

Using the UE Grant Code rather than the Kindergarten Grade Code provides full funding rather than the half funding provided to Kindergarten students. We have identified approximately 90 Kindergarten students who may qualify to be placed into this Grade Code.

RECOMMENDATION:

The Administration recommends the Governing Board approve the modification of the entity profiles for Copper Creek, Donaldson, Holoway and Walker Elementary Schools for the addition of the "UE" Grade Code.
