**Re: Canutillo High School Projects– 2011 School Bond Program Canutillo Independent School District
212-056R**

Dear Mr. Padilla:

Pursuant to our meeting regarding the CM@Risk Bid Packages and selection on the above referenced Project, we are submitting our formal recommendation for your review and consideration of the CM@Risk Guaranteed Maximum Price.

We received Banes G.C.'s list of bidder via email on Monday, January 2, 2014 and we have reviewed the attached list of bidders and their respective bids, which were used by Banes General Contractors to develop and provide their Guaranteed Maximum Price (GMP). Please excuse our delayed response but, we did not have the adequate information in order to respond to your request. Nonetheless, we have now reviewed the complete information, and we concur with the list and GMP of **Two Million, Three Hundred-Sixty Two Thousand, Five Hundred-Eighty Four and 00/100 Dollars (\$2,362,584.00)**, provided by Banes General Contractors, with the exception of the General Conditions, and Fee amounts since their contract is directly with the district.

If the district agrees with our recommendation, we would agree to with the district proceeding with finalizing the negotiations and moving forward with the construction of the projects. If you have any questions or would care to discuss this matter further, please contact our office.

Respectfully,

Al Loya, AIA
