COLLECTIVE BARGAINING AGREEMENT

This Agreement made as of the date hereinafter set forth by and between Centreville Public Schools, St. Joseph County, Michigan, acting by and through its Board of Education ("Board") and the Southwestern Michigan Education Association ("SMEA") and its respective affiliate, the Centreville Education Association, hereinafter called the "Association";

WITNESSETH:

ARTICLE 1

Purpose and Recognition

1.1 **Purpose.** The general purpose of this Agreement is to set forth the terms and conditions of employment for the members of the bargaining unit except as covered by Board policies and to promote orderly and peaceful labor relations.

1.2 **Recognition.** The Board recognizes SMEA as the sole and exclusive collective bargaining representative for all full-time and regularly scheduled part-time Pre-12 certified teachers employed by the Board for the regular school year, including guidance counselors, librarians, and any person employed as a teacher pursuant to Section 1233b of the Revised School Code, as amended, who satisfactorily completed one (1) full school year and is reemployed by the Board for one (1) or more school years, but excluding all substitute teachers, jail teacher(s), teachers' aides, social workers, all administrative, supervisory and executive positions, including the position of athletic director, and all other employees.

1.3 **Local Agent.** The SMEA recognizes and designates the Centreville Education Association as the local agent for this Contract.

1.4 **Dual Employment.** If a teacher is also employed by the Board to perform non-bargaining unit duties, this Contract shall be extended to the teacher in their teaching capacity only and shall exclude their non-bargaining unit position.

1.5 **Limitations.** The Board agrees not to negotiate with or recognize any teachers' organization other than SMEA and its respective affiliate, the Centreville Education Association for the duration of this Agreement, except to the extent permitted by law.

ARTICLE 2

Association and Teacher Rights

2.1 **Teacher Rights.** Pursuant to the Michigan Public Employment Relations Act the Board hereby agrees that every member of the bargaining unit shall have the right freely to organize for the purpose of engaging in collective bargaining or negotiations or other lawful concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under the law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by the Act; that it will not discriminate against any teacher with respect to hours and wages, or any terms or conditions of employment by reason of their membership or non-membership in the Association, their participation in any activities of the Association or collective professional negotiations with the Board, or their institution of any grievance, complaint or proceeding under this Agreement.

Nothing contained herein shall be construed to deny or restrict to any teacher the rights s/he may have under the Michigan General School Laws, Michigan Constitution, or the Laws of the United States.

No teacher shall be prevented from wearing insignias, pins, or other identification of membership in the Association either on or off school premises.

2.2 **Meeting Facilities.** The Association shall have the right to use school building facilities as specified in the policies of the Board.

2.3 **Communications.** SMEA shall have the right to communicate with bargaining unit members through the use of a bulletin board in each teachers' lounge or the reasonable use of the school mail service. All materials shall bear the name of SMEA and the name of the person authorizing the posting or distribution thereof. No SMEA materials of any kind shall be displayed on or about the physical facilities of the Board except on the designated bulletin boards and no displayed materials shall be derogatory to the Board or to any employee.

2.4 **Requested Information.** The Board agrees to make available to SMEA information pertinent to the negotiation or administration of the Collective Bargaining Agreement, provided, however, that tentative financial data shall be made available only after it has been presented to the Board at a regular meeting or to another governmental agency. SMEA shall specify the information requested and the purpose for which it is intended. Original records are to be examined at the central offices of the Board. The Board shall be reimbursed for expenses incurred in furnishing information or making records available.

ARTICLE 3

Payroll Deductions

3.1 Payroll Deductions. The Board shall make payroll deductions upon written authorization for annuities, credit unions, savings bonds, union dues, charitable donations, or any other plans or programs jointly approved by the Association and Board.

3.2 Indemnification. The Association agrees to indemnify and save the District harmless from any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of action taken or not taken by the Board for the purpose of complying with this Article.

ARTICLE 4

Professional Compensation

4.1 Basic Compensation. The basic compensation of each teacher shall be as set forth on Schedule "A", and, for the life of this Agreement, will be paid in substantially equal installments beginning no later than the second Friday of the school year. ~~Teachers who are rated as Ineffective or Minimally Effective on the annual evaluation will not be eligible for a step increase on the salary schedule.~~

4.2 Initial Compensation. The initial placement of a teacher on the salary schedule, who was not a member of the bargaining unit during the prior work year, shall be determined by the Board in its discretion on the basis of such teacher's education and prior teaching experience.

4.3 Academic Advancement. Academic or certification advancement shall be made at the beginning of the first or second semester of the school year following such advancement, provided that the teacher shall submit proof of such advancement not later than thirty (30) calendar days after the beginning of the semester.

- A. Academic advancement must be in a graduate program or in fields directly related to the teacher's assigned work, or be in an area of professional growth that could potentially benefit the District, as determined by the Administration. Only those courses taken after Teacher Certification/Annual Authorization has been issued will "count" or can be applied towards academic advancement across the appropriate pay schedule. Additional steps may be granted at the discretion of the Board.
- B. In the event the determination of the Administration is in dispute, a Resolution Committee consisting of two (2) members appointed by the Association and two (2) members appointed by the Board will serve to resolve any disputes concerning the eligibility for academic advancement.

- C. In the event the Resolution Committee is unable to resolve the dispute, the teacher requesting academic advancement or the Association will have the right to utilize the grievance procedure beginning at Step Three (Board Level)

4.4 Credit on Pay Schedule. Teachers who enter this school system at times other than the opening day of school will have their experience evaluated and be placed on the salary schedule. They will not advance to the next step until the one (1) year anniversary of their entrance into the school system each year they are here. It is the intent of this clause to give exactly as much credit for experience in Centreville as the teacher is given by the state retirement system.

4.5 Substituting During Planning Period. A teacher who is required to substitute for another teacher during their regularly scheduled planning period shall be compensated at the rate of thirty-five dollars (\$35.00) per planning period during the life of this Agreement.

A.6 Tuition Reimbursement:

A. Employees will be reimbursed two hundred dollars (\$200.00) per credit hour ~~for the 18 hours required~~ for the initial renewal of a provisional certificate. In order to receive this reimbursement, employees will be required to submit proof of payment for each class, the number of credit hours it entailed, and proof that course credit was awarded to the member with a grade of “3.0” or better.

B. **Reimbursement for teachers seeking certification in content/grade level areas through Michigan state-approved programs will be reimbursed at a maximum amount of \$2,500, unless otherwise agreed upon by the district, if the following criteria are met:**

- **The alternative program or pathway is recognized and approved by the State of Michigan and/or the Michigan Department of Education.**
- **The teacher successfully completes the program.**
- **The teacher is assigned, by the school/district, to teach the content OR subject, OR grade level for which the certification was awarded.**

To receive this reimbursement, employees will be required to submit proof of payment for the program, be assigned by the district to a teaching position that reflects the newly obtained certification, and proof that certification was awarded to the staff member.

~~The Board will pay for all classes required to attain “highly qualified status” as required by the Administration.~~

ARTICLE 5

Professional Schedule

5.1 Professional Commitment. The parties recognize that the professional commitment of a teacher cannot be precisely measured and that the full and adequate discharge of a teacher's duties may require a greater commitment of time than that which has been scheduled, and the provisions herein shall be so applied and interpreted.

5.2 Professional Work Year. The work year(s) shall be the number of student days mandated by state statute for that particular school year, plus the required number of professional development days and/or hours as mandated by state statute for that particular school year, and one (1) District day, and (6) total hours over two days per semester for parent-teacher conferences. Teachers will receive compensation (comp. time) for parent-teacher conference days as determined by the calendar. Personal business days shall not be used during parent-teacher conferences. An exception will be made for funeral leave as described in Section 7.3. Teachers missing parent-teacher conferences due to illness will be required to schedule dates/times for makeup conferences with the building administrator for approval. Professional development days shall be scheduled through mutual agreement between the Association and the Employer. The normal workweek of a full-time teacher consists of thirty-seven hours and thirty minutes (Seven hours and 30 minutes per day), Monday through Friday, on the school premises or at an approved duty-connected facility. Policies regarding scheduling of instruction, professional duties, and work days shall be from time to time established by the Board, and may provide for the following:

- A. Two hundred sixty (260) minutes in the elementary and two hundred fifty (250) minutes in the high school for preparation during the regular student instructional week for K-12 teachers, in units of not less than twenty (20) minutes. - D. The term “preparation period” shall be construed to include the use of this period for purposes associated with teaching responsibilities and/or professional duties.

5.32 Part-Time Teachers. The normal workweek for part-time teachers shall be adjusted on an individual basis in accordance with the number of hours employed and the duties assigned.

5.4 General Professional Duties. Each teacher shall, to the extent required for the proper discharge of their professional obligations, participate in such other professional activities as have customarily been performed by teachers employed by the Board, including up to three (3) school-related events normally held outside the regular school day at which attendance will be mandatory, exclusive of those professional obligations set forth in Schedule C, provided that the Administration will give reasonable notice of each such event. It is understood and agreed that special notice of professional obligations included in Schedule C will not be required.

5.5 Professional Meetings. Meetings shall be scheduled in accordance with the following guidelines, namely:

- A. One (1) Professional Development meeting per month after the student school day, and one (1) faculty meeting per month after the student school day, provided that such meetings shall not extend beyond 4:15pm except as otherwise mutually agreed.
- B. Meetings shall be scheduled at least one (1) week in advance of the meeting date, provided that a meeting may be called at any time in case of an emergency.

5.6 Administering Medications. Teachers shall not be required to perform the duties of administering medications (unless a medical emergency requires it), diaper changing, catheterization, and suctioning of students.

ARTICLE 6

ARTICLE 9

Leaves

Since the absence of a teacher generally has an adverse effect on the quality of the educational program, imposes increased responsibilities on other employees, and increases costs, it is the responsibility of each teacher to avoid an unnecessary absence. The provisions herein set forth are not intended to reduce the responsibilities of a teacher or to provide a form of additional compensation. Rather, the provisions are intended to meet the legitimate, humanitarian, and personal needs of a teacher in a manner consistent with the requirements of the educational program, and they shall be so applied and interpreted.

9.1 Leave.

9.11 Use. Each teacher shall be credited with twelve (12) leave days at the beginning of each school year. Leave days shall be deducted in one-half (1/2) day increments.

- A. Because of FMLA requirements and the intent of leave days, the use of leave days will be reviewed and monitored on a regular basis to the extent required by law.
- B. An absence of three or more consecutive leave days without prior approval requires documentation from a medical professional. Failure to provide such documentation could result in pay being docked for the absence period as well as possible disciplinary action.
- C. Written documentation from a physician is required if a leave day is used on the day(s) immediately before or after scheduled vacations/holidays, such as Labor Day, Thanksgiving, Christmas/Winter, Mid-Winter, Spring Break, or Memorial Day, and the first or last day of school without prior leave approval.
- D. Leave days shall not be used on days immediately before or after scheduled vacations/holidays such as Labor Day, Thanksgiving, Christmas/Winter, Mid-Winter, Spring Break, or Memorial Day, and the first or last day of school, without the prior written approval of the superintendent.
- E. A teacher who is disabled as a result of an injury arising out of and in the course of employment with the Board or another employer and is eligible to receive worker's compensation benefits shall have the right to deduct fractional leave days from unused accumulated leave for the purpose of supplementing worker's compensation benefits to the extent necessary to equal the teacher's daily rate of compensation, provided, however, that a teacher who is disabled as a result of an injury arising out of and in the course of employment with another employer who is not covered by worker's compensation insurance shall have the right to use up to one-half (1/2) of their accumulated leave days during such period of disability.

9.12 Procedure. A request for a leave day immediately before or after scheduled vacations/holidays, and the first or last day of school shall be made in writing at the

earliest practicable time, but in no event less than seventy-two (72) hours prior to the requested date, except in the case of an emergency.

9.13 Limitations. The Board shall not be required to grant a leave to any otherwise eligible teacher if the teacher has not made adequate provision for the discharge of their employment duties during their absence, unless such absence could not reasonably have been foreseen and reasonable preparation could not have been made for the discharge of such responsibilities, or to grant a leave on any one day to more than two (2) teachers. Unused leave days shall be added to accrued leave days.

9.14 Unused days. Leave days may accumulate up to one hundred eighty (180) days. The new school year allocation of days, rollover of unused days into the leave bank, and any accrued leave days are capped at one hundred ninety-two (192). The amount of unused leave days shall be certified to the teacher within thirty (30) days after the beginning of each work year. Upon a teacher's termination of employment with the School District when such employment has equaled or exceeded ten (10) consecutive years, the Board will pay the teacher who has accumulated 1–121 leave days at the rate of \$30 per day (\$3,630 maximum); 122–180 accumulated days at the rate of \$40 per day (\$2,360 maximum, in addition to the monies received from 1–121 days). A maximum of \$5,990 may be granted for 180 days accumulated. No additional pay will be granted for unused leave days beyond 180.

9.2 Funeral Leave. A teacher shall be entitled to receive up to four (4) days leave with pay per incident, not deductible from the teacher's accumulated leave days for time lost from work due to the death of their mother, father, spouse, child, grandparent, grandchild, brother, sister or their current mother-in-law, father-in-law, sister-in-law or brother-in-law, or any person who is a regular member of the teacher's household if the teacher desires to attend the funeral of such person. Up to one (1) day of paid funeral leave per year may be taken by a teacher to attend the funeral of a friend/person of choice, not deductible from the teacher's accumulated leave days. If the absence is during a holiday or an unscheduled work period, no pay will be due.

9.3 Jury Leave. A teacher shall be entitled to leave with pay, less any jury service fees paid, for jury service if they are unable to be excused or to have such service rescheduled to a time that does not conflict with the discharge of their scheduled employment duties. The teacher shall return to their duties whenever their attendance in Court is not actually required.

9.4 Disability Leaves. A teacher who is or will be physically or mentally disabled for more than ten (10) workdays shall be granted a leave of absence in accordance with the following guidelines:

9.41 Foreseeable Disability. If the teacher knows or reasonably should know, that they have a physical or mental condition, that will result in disability, the teacher shall as soon as reasonable:

A. Notify the Board as to the nature and extent of the expected disability in accordance with this Section.

- B. Furnish the Board a statement from the attending physician specifying in the physician's opinion:
 - 1. Any limitations on the performance of duties;
 - 2. The probable date when the teacher will be significantly impaired in the performance of their duties; and
 - 3. The probable length of time, if any, during which the teacher will be disabled from performing their work assignments.
- C. Furnish the Board such information, as the Board shall determine, including the attending physician's release, to assure the safety and welfare of the teacher, students, and other employees

9.42 Unforeseeable Disability. If a teacher is disabled by unforeseen circumstances, and the teacher desires to be granted a disability leave, the teacher shall, as soon as practicable, furnish the Board with the information, to the extent applicable, required for a foreseeable disability.

9.43 Duration of Leave. A teacher shall be granted a leave of absence for the period of disability except that the Board shall not be required to grant a leave for more than one (1) year unless the law requires a longer period.

9.44 Compensation Benefits. A teacher who has been granted a disability leave shall receive payment from accumulated leave benefits, reduced by the amount of any disability insurance benefits which the teacher is eligible to receive from the Board to the extent eligible, except that a teacher who has purchased his/her own disability insurance shall have the right to receive payment from accumulated leave benefits or to deduct fractional leave days from accumulated leave for the purpose of supplementing disability insurance benefits to the extent necessary to equal the teacher's daily rate of compensation.

9.5 General Leave. The Board may grant a leave of absence upon the request of a teacher for reasons of general health, family emergencies, professional development, education, or for other reasons not otherwise herein provided. In determining whether to grant any such leave, the Board shall consider

9.6 Association Leave. The Board shall provide up to ~~four (4)~~ **six (6)** days **in total** per school year to be used by teachers designated by the Association for the purpose of conducting Association business, attending conferences, and the like. 9.7 Leave Administration.

9.71 Notice. A teacher shall give the Board notice of their desire to be granted a leave as soon as the teacher is aware of their need to be granted a leave so that the Board will have the maximum time to provide for the teacher's absence. The minimum notice time in any event for leave for elective health care, personal leave, jury leave, a foreseeable disability, or a general leave shall be at least seven (7) work days prior to the requested leave date, except that a shorter notice may be permitted in an emergency.

9.72 Verification. The teacher shall have the responsibility of verifying their eligibility for leave and any benefits due. If the Board determines that a teacher knowingly withheld or misrepresented material information concerning the purpose of the teacher's eligibility for leave or for any benefits, the teacher may be disciplined, in addition to any other discipline, by the loss of all or any portion of the teacher's leave benefits due or to be due under this Agreement.

ARTICLE 10

Protection of Teachers

10.1 Pupil Referrals. Whenever it appears that a particular pupil requires the attention of special counselors, social workers, law enforcement personnel, physicians, or other professional persons,

the teacher will take reasonable steps to notify the Administration with respect to such pupils. The Administrator shall investigate the concern of the teacher as soon as reasonable and take whatever reasonable remedial measures he determines to be necessary under the circumstances.

10.2 Assaults. Any case of assault upon a bargaining unit employee while performing their professional work day or extra-curricular assigned duties shall be promptly reported to the Employer. The Employer shall promptly render all reasonable assistance to the bargaining unit employee, when possible, to prevent injury. The Employer will reimburse the bargaining unit employee for the cost of legal counsel to advise the bargaining unit employee (who fully complied with board policies and acted within the scope of the bargaining unit employee's authority) of their rights and obligations with respect to such assault as well as in connection with the handling of the incident by law enforcement and judicial authorities. If the teacher is subpoenaed to appear in a criminal proceeding arising out of the assault, the time lost shall not be charged against the teacher.

10.3 Legal Action. If a teacher is sued because of disciplinary action taken by the teacher against a student, by the student or their parent(s), the Board will provide legal counsel and render all necessary assistance to the teacher in their defense, provided that the teacher is not found negligent, or in violation of Board policy, law or this Agreement. If the teacher is not found negligent, time lost by the teacher shall not be charged against the teacher.

10.4 Property. Teachers shall be expected to exercise reasonable care with respect to school property, provided that teachers shall not be individually liable for damage to or loss of such property except in the case of negligence.

10.5 Committee Membership. The district shall indemnify and otherwise hold harmless any bargaining unit employee serving as a participant on District, state, or federally mandated committees. At District expense, the bargaining unit employee(s) shall be provided with legal counsel in the event of complaints and/or litigation arising because of participation on such committees.

10.6 Fair Treatment. All bargaining unit employees shall be treated fairly and equitably.

10.7 Complaint Procedure.

10.71 Parental Complaints. Parental complaints shall be handled at the discretion of the Administration, provided that:

- A. Any complaint directed toward a teacher shall be called to the teacher's attention not later than ten (10) days after the complaint is received as soon as reasonable regardless if any disciplinary action is taken.
- B. Any necessary conference due to a parent's complaint will be cooperatively arranged between the teacher and the parent involved with notification to the Administration. The Administrator shall have the option of being represented at the conference.
- C. An unsubstantiated complaint shall not be made a part of the teacher's personnel file.

10.72 Complaints. When valid complaints are received and/or when questionable methods of discipline and/or instruction have been used by a teacher, the teacher will be notified within a reasonable time not later than 10 days by the Administration regardless if any disciplinary action is taken. Following the notification of the teacher, the Administration will hold a conference within ten (10) working days with the teacher, and the complaints and/or questionable methods of discipline and/or instruction will be discussed. Written records, including the date, the nature of the case, and the disposition of the conference will be kept. It will be signed by the teacher and Administrator involved.

10.8 Public Reports. Teachers shall not be identified individually in reports to the public made in compliance with P.A. 25 (1990) unless required by law.

ARTICLE 11

Discipline

11.1 Definition. The term "discipline" as used in this Agreement includes warnings; reprimands; suspensions with or without pay; reductions in rank, compensation, or occupational advantage; discharges; nonrenewal of probationary bargaining unit members, including bargaining unit members deemed to be in a period of probation under the Michigan Teachers' Tenure Act; or other actions of disciplinary nature.

Any such discipline shall be subject to the grievance procedure, hereinafter set forth, including arbitration. The specific grounds for disciplinary action will be presented in writing to the bargaining unit employee and the Association no later than the time discipline is imposed.

For discipline that involves the discharge or demotion of a tenured teacher or the non-renewal of a probationary teacher, the mandates, standards, and procedures of the Michigan Teachers' Tenure Act, MCL 38.71, et seq., shall apply.

11.2 Progressive Discipline. A program of progressive discipline shall be followed. The following progression of discipline for each unrelated incident shall be followed:

1. ~~Oral~~ **Verbal** warning, then
2. Written warning, then
3. ~~Written reprimand, then~~
4. **3** One-day suspension without pay, then
5. ~~4~~ Three days suspension without pay, then
6. **5** Further suspensions without pay, then
7. **6** Discharge.

No suspension shall adversely affect any other rights or benefits under this Agreement. The parties recognize that the severity of an offense may provide just cause for the acceleration of the above progression of discipline.

11.3 Association Representation. A bargaining unit employee shall be asked by the employer whether they desire to have present an Association representative, if so, indicating the

representative of their choice, in any case where an allegation has been made against the employee by a parent, student, or colleague that is the subject of the meeting or if the administration suspects the employee may have committed some offense. The association representative shall be informed of the subject matter of any meeting a bargaining unit employee is required to attend in advance of the meeting and shall be permitted to meet privately with the employee in advance of such a required meeting. The employee shall be entitled to the specific representative of their choice, but if that person is not immediately available, the meeting will not be unreasonably delayed.

11.4 Personnel File. A bargaining unit employee will have the right to review the contents of all records of the Employer pertaining to said bargaining unit employee originating after initial employment and to have a representative of the Association accompany them in such review. Other examination of a bargaining unit employee's file shall be limited to qualified supervisory personnel, except that an Association representative may review such files when necessary for contract administration purposes with written consent from the bargaining unit employee or to provide a bargaining unit employee representation in other administrative or legal proceedings. Each file shall contain a record indicating who has reviewed it and the date it was reviewed.

11.41 Verbal Warnings. Any such warning deemed a “verbal warning” shall be documented and communicated to the individual and placed in their personnel file.

11.42 Complaints. No material, including but not limited to student, parental, or school personnel complaints originating after initial employment, will be placed in a bargaining unit employee's personnel file unless the bargaining unit employee has had an opportunity to review the material. Complaints against the bargaining unit employee shall be put in writing with names of the complainants (not to include minors), administrative action taken, and remedy clearly stated. The bargaining unit employee may submit a written notation or reply regarding any material, including complaints, and the same shall be attached to the file copy of the material in question. When material is to be placed in a bargaining unit employee's file, the affected employee shall review, and sign said material. Such signature shall be understood to indicate awareness of the material, but in no instance shall said signature be interpreted to mean agreement with the content of the material. If the bargaining unit employee believes the material placed in the file is inappropriate or in error, the material will be reviewed by the employee, association representative, and appropriate administrator to determine appropriate action including correction or a written rebuttal. All recommendations, written or oral, shall be based solely on the contents of the bargaining unit employee's personnel file.

Complaints, as defined in this Section, shall not be useable for the purposes of annual teacher performance evaluations unless the complaint is substantiated but not used as any basis of disciplinary action and a part of any additional ongoing incidences of a substantially related nature.

11.43 Limitations. All discipline or complaints, as defined in Article 11.42, that is four (4) years or older shall not be factored into the progressive discipline process.

ARTICLE 12

Reduction in Personnel / Layoff and Recall

It is understood by the parties that a reduction in staff may be required in the event of a financial emergency, a significant reduction in student enrollment, a significant reduction in funding, or other unforeseen circumstances. To promote an orderly reduction in personnel when the educational program, curriculum, and staff are curtailed, the following procedures will be used.

12.1 Non-Certified. Non-certified will be laid off first, provided there are adequately certified and qualified teachers to replace them as allowed by law.

12.2 Tenured. If further reduction is still necessary, then tenured teachers will be laid off in inverse order of qualification as defined in Article 12.6, providing that such teachers who are retained are adequately certified for the positions they are to fill. If more qualified (per Article 12.6) teacher(s) are not available to staff programs to be continued, then the teacher(s) with the next highest qualification may be retained to fill those positions.

12.3 Post-reduction Notification. After a reduction of teachers as outlined above, if there are teaching positions that are created and/or vacant, laid-off teachers who are adequately certified and qualified for the position(s) will be given the first opportunity to fill such positions. The notification shall be given to all laid-off teachers, and the vacancy or vacancies shall be filled by the most adequately qualified (per Article 12.6).

12.4 Pre-reduction Notification. The Association will be notified of the contemplated reduction in personnel at least ten (10) days before the layoff notices are distributed to the teachers. Teachers being laid off shall receive a 60-calendar day notice in writing before the effective date of layoff for layoffs during the summer months and no less than one (1) full semester for layoffs during the school year.

12.5 Notice Procedure. The Board shall give written notice of layoff or recall from layoff by sending a registered letter or certified letter to the teacher at their last known address. It shall be the responsibility of the teacher to notify the Board of any change in address.

12.6 Certification and Qualifications. The certification and qualifications of an employee to be laid off shall be the certification and accumulated qualification on file with the Board at the time the layoff occurs. The certification and qualification of an employee to be recalled from layoff shall be the certification and qualifications on file with the Board at the time the notice of recall from layoff is sent. It is the employee's responsibility to notify the Board, in writing, of any inaccuracies in Board records and/or any changes as they occur.

12.7 Definitions.

A. Certification. Adequately certified shall be defined as holding the required certificates, endorsements, licenses, and/or approvals required by law to serve in the position assigned. Further, it is the teacher's responsibility to file such certificates, endorsements, and licenses, with the Board. The certification status of a teacher on file with the district shall be considered conclusive for all purposes under this Agreement.

The teacher shall provide written notice to the Board and Association of any change to their certificates, endorsements, or licenses after the original filing of same with the district. This shall include notice of any additional endorsements, certificates, or renewals, as well as expirations, revocations, and any limitations thereon.

B. Qualification. Teachers shall be considered qualified for positions for which they possess the appropriate adequate certification. Further, their degree of “qualified” status for any position in the district shall be determined by the process outlined in Article 12.6.

12.8 Recall Refusal. A teacher refusing an offer of recall to a position for which the teacher is adequately certified and most qualified per Article 12.6 and which is equivalent to the one from which they were laid off shall be deemed a voluntary quit and shall result in forfeiture of the further right of recall. The only exemption from this shall be if the teacher is under contract with a different Michigan School District at the time of recall. In such case, the teacher shall have the ability to finish the term of their contract before reporting for duty at the District of Recall. Should the teacher refuse that option, they shall be deemed to have voluntarily quit as set forth above.

12.9 Insurance. Teachers laid off shall have insurance benefits continued and paid by the Board in accordance with the provisions in Schedule B until the end of the following month of the notice of layoff. After that, a laid-off teacher may continue their insurance benefits in accordance with the Carrier’s layoff/benefit continuation policy, inclusive of paying the subscriber group rate premium for the Consolidated Omnibus Reconciliation Act of 1985 (COBRA)

ARTICLE 13

Seniority

13.1 Seniority. The Board shall maintain an up-to-date seniority list, a copy of which shall be furnished to the Association within thirty (30) calendar days after the beginning of each school year. The seniority list as furnished shall be conclusively deemed to be accurate unless the Association shall inform the Board of any errors within thirty (30) calendar days after receipt of such list. The names of all teachers in the bargaining unit at the time of preparation of the seniority list shall be listed in order of their service dates, starting with the teacher with the greatest amount of seniority at the top of the list. If two (2) or more teachers have the same service date, their social security numbers shall be used in determining their respective positions on the seniority list, with the teacher having the lowest number being assigned first to the seniority list. Members of the defined bargaining unit who accept a full-time, non-bargaining unit assignment within the District shall remain on the seniority list for two (2) calendar years after leaving the bargaining unit assignment. During this time no additional seniority shall accrue. After the two (2) calendar years have expired, the name shall be removed from the seniority list. An individual returning to the bargaining unit after two (2) calendar years have expired shall be placed at the bottom of the seniority list but retain all tenure rights if applicable.

13.2 Interpretation. For the purpose of this Article:

- A. "Service date" is the date when the teacher first provided professional services for the Board under a written contract of employment, exclusive of any extra-duty assignments, since any break in service. Termination of service shall constitute a break in service. For purposes of this provision, a teacher on an authorized leave of absence or layoff shall continue to accrue seniority during any such period(s), provided, however, that seniority accrued during any such authorized leave of absence or period of layoff shall not be included for purpose of advancement on the salary schedule.
- B. The provisions herein set forth shall be subject and subordinate to all applicable laws and regulations including the Michigan Teacher's Tenure Act.

13.3 Limitations.

- A. Unemployment Compensation. A teacher who is laid off and receives unemployment benefits pursuant to state or federal law and who is subsequently recalled by the Board shall reimburse the Board for gross benefits received, provided, however, that no reimbursement shall be required if the sum of such benefits and compensation earned by the teacher during the twelve (12) month period from and after the effective date of layoff is equal to or less than the compensation the teacher would have earned had he been regularly employed during the same period. The Board shall notify an affected teacher of this provision at the time the teacher is laid off.

The Board agrees to meet with the affected teacher to develop a mutually acceptable reimbursement plan; however, if no plan agreement is reached, then the amount to be reimbursed shall be withheld pro-rata from the teacher's bi-weekly paycheck during the balance of the 20 or 26 pay periods selected by the teacher.

- B. Rights of Supervisors. Any teacher who shall be transferred to a supervisory or an executive position and shall later return to a teacher status shall be entitled to retain such rights as he may have under this Agreement.

ARTICLE 14

Evaluations

14.1 Scope. Beginning with the 2024-25 school year the negotiated performance evaluation system shall include a rigorous, transparent, and fair performance evaluation system that includes:

- B. an evaluation of the teacher's job performance with timely and constructive feedback.

- C. clear approaches to measuring student growth with relevant data on student growth.
- D. multiple rating categories that take into account student growth and assessment data or student learning objective metrics that have been negotiated with the Association.
- E. use of student growth and assessment data or student learning objective metrics as 20% of the year-end evaluation determination.
 - 1. The student growth and assessment data or student learning objectives shall consist of measurable, long-term academic goals set for all students that utilize available data as determined annually by the grade-level/department-level teachers and administration.
 - 2. That data used in this section must be attributable to the actual teaching responsibilities of the individual teacher.
- F. negotiated year-end evaluation form that utilizes other objective criteria for 80% of the year-end evaluation determination.

14.2 Process. The negotiated Performance Evaluation system, “Post-observation Feedback Form,” “Year-End Evaluation Reporting Form,” and “Individual Development Plan (IDP) Form” are available from the Human Resources Office.

14.21 Classroom observations that are intended to assist in the year-end performance evaluation for teachers will be conducted as follows:

- A. The teacher shall be notified no later than September 30 of each year who the administrator will be that conducts their year-end evaluation. If no notification is provided by September 30 of each year, that teacher shall not be evaluated.
- B. The classroom observations used in the year-end evaluation must include a review of the teacher’s lesson plan for the day of the observation and the state curriculum standard being used in the lesson.
- C. The observation must include a review of pupil engagement in the lesson that is observed.
- D. To ensure 14.21B and 14.21C above, the observation shall be no less than thirty (30) consecutive minutes.

The post-observation meeting shall be held no later than ten (10) calendar days after the observation occurred. At the post-observation meeting, the teacher will be provided written feedback on that observation on the “Post-observation” feedback form.

14.3 Year-end Rating. Beginning July 1, 2024, the annual performance evaluation system will assign a year-end rating of “effective,” “developing,” or “needing support.”

14.21 The year-end evaluation determination and form shall be delivered at a meeting with the observing administrator and the teacher no later than the last scheduled school day. In the event there is no year-end evaluation as described above, the teacher shall be deemed “effective” per the year-end evaluation determination.

14.4 Non-Evaluation. Teachers who work less than 60 days in any school year, or who have an accumulated leave of absence from work during the school year amounting to a total of thirty (30) days or more, or who have their evaluation results vacated through the grievance procedure, or are otherwise not evaluated due to extenuating circumstances the district deems applicable for exempting a teacher from the annual evaluation process as agreed upon by the Association, shall not be provided an evaluation for that year. Said teachers shall receive the same rating they received in the prior year for the current year if it was conducted by the district.

14.5 Exemption. If a tenured teacher has been rated “highly effective” or “effective” for three (3) consecutive year-end evaluations, they shall be evaluated every third year thereafter. If the subsequent year-end rating is not “effective” on an evaluation following the third year, the teacher shall be evaluated annually until receiving an “effective” rating for an additional three (3) consecutive years.

14.6 Individual Development Plan (IDP) Evaluations. In addition to the above procedures, teachers who are evaluated with an IDP (received a “minimally effective” or “ineffective” prior to July 1, 2024, or “needing support” or “developing” thereafter, and/or first-year teachers) shall be provided the following:

- A. Specific performance goals that will be used to assist in improving effectiveness for the next school year developed with consultation and agreement by the teacher.
- B. Training to be provided by the district to assist the teacher in meeting the goals of the IDP.
- C. A mid-year progress report, supported with at least two (2) classroom observations conducted consistent with Section B.1 above and completed no later than March 1, that is used as a supplemental tool to gauge a teacher’s improvement from the preceding school year and to assist in any needed additional improvement that is aligned with the existing IDP.
- D. A mentor teacher who is informed of the conditions and requirements of the IDP in order to assist the mentee in the described performance goals of the IDP.

14.7 Grievance. Any non-compliance with the evaluation process as described above shall be subject to the grievance process.

- D. Calibration exercises that help evaluators practice using the evaluation criteria and establish consistency in the evaluator’s evaluations.
- E. Ongoing support for evaluators, including feedback from administrators and Association-designated teachers, to help them improve their skills and ensure they are consistently applying the evaluation criteria.

If the Association is not satisfied with the disposition of the grievance at Step Three, it shall within ten (10) days after the decision of the Board, notify the Board of its decision to pursue the matter to arbitration and refer the matter for arbitration to the American Arbitration Association, in writing, and request the appointment of an arbitrator to hear the grievance. The Arbitrator may not consider more than one grievance at the same time except upon the express written consent of the parties. The Arbitrator shall have no authority to award damages beyond the amount of wages and fringe benefits that the employee would otherwise have earned contractually.

The Arbitrator shall have the authority to concurrently hear both jurisdictional issues and the merits of the dispute in the same proceeding.

Any back pay award will be reduced by any compensation received by an employee during the time he would otherwise have been working for the District including any unemployment compensation received.

16.3 Cost. The cost of the arbitrator shall be borne equally by the parties except each party shall assume its own cost for representation including any expense of witnesses.

ARTICLE 17

Continuity of Operations

Both parties recognize the desirability of continuous and uninterrupted operations of the instructional program during the normal school year and the avoidance of disputes that threaten to interfere with such operations. The Association accordingly agrees that it will not engage in or assist in any strike against the Centreville Public Schools, and the Board agrees it will not engage in any lockout as defined by Section 1 of the Public Employment Relations Act.

ARTICLE 18

Rights of the Board

The Board, on its own behalf and on behalf of the electors of the District, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan.

The Board shall be limited only by express provisions of this Agreement and the Public Employment Relations Act. Rights reserved exclusively herein by the District, which shall be exercised exclusively by the District without prior negotiations with the Association, shall include by way of illustration and not by way of limitation, the right to:

1. Manage and control the School's business, the equipment, the operations, and direct the working forces and affairs of the Board.
2. Continue its rights of assignment and direction of work of all of its personnel, determine the hours of work and start times, and scheduling of all the foregoing, but not in conflict with the specific provisions of this Agreement.
3. The rights to direct the working forces, including the right to hire, promote, suspend and discharge employees, transfer employees, determine the size of the workforce, and to lay off employees.

4. Determine the services, supplies, and equipment necessary to continue its operations and determine the methods, schedules, and standards of operation.
5. Adopt reasonable rules and regulations.
6. Determine the qualifications of employees.
7. Determine the location or relocation of its facilities, including the establishment or relocations of new schools, buildings, departments, divisions, or subdivisions thereof and the relocation or closing of offices, departments, divisions, or subdivisions, buildings, or other facilities.
8. Determine the sources of materials and supplies.
9. Determine the financial policies, including all accounting procedures, and all matters pertaining to public relations.
10. Determine the size of the management organization, its functions, authority, and amount of supervision.

3. A Mentor Teacher shall be assigned in accordance with the following:

 - c. Probationary employees may be assigned one (1) or more Mentor Teachers.
4. The Board and the Association agree the relationship shall be confidential. When confidentiality is waived by both the Mentor and Mentee, a discussion among the Mentor, Mentee, and building Administrator may occur. This discussion shall not be

evaluative in nature and may be terminated upon the request of the Mentor or Mentee. Neither the Mentor nor the Mentee shall be a part of or be included in, any matters related to the evaluation of the other.

5. Nothing in this Provision provides a mentor with special status or basis due to mentoring for refusing to truthfully disclose facts during a Board investigation of unprofessional conduct as defined by the Michigan Tenure Act and Michigan Civil Law.
6. Nothing in this Provision precludes the Board from soliciting individuals outside the Association to serve as Mentors, as provided in §1526 of the School Code provided that the Mentor assignments have been posted in accordance with the Master Agreement first and that no qualified bargaining unit member has expressed a written letter of interest for the assignment(s).
7. The Association agrees to assist the administration in identifying mentor teachers when/where needed.

The foregoing extra-duty assignments shall be subject to the following terms and conditions:

1. The compensation rate for an extra-duty assignment where a percentage figure is used shall be determined by multiplying Step S1 of the BA Base by the applicable percentage rate listed on Schedule C.
2. Any activity may be temporarily or permanently discontinued or assigned to a person who is not a member of the bargaining unit at the discretion of the Board. None of the provisions of this agreement shall apply to a person who is not a member of the bargaining unit, provided, however, that compensation for any non-bargaining unit member shall not exceed the Schedule C rate for the activity.

3. A teacher shall not have tenure in any extra-duty assignment, and assignments may be made or terminated for reasons satisfactory to the Board.
4. An activity not included on Schedule “C” shall receive such compensation as established by the Board at the time the activity is approved.
5. Since co-curricular activities are a vital component of a student’s entire educational experience, the involvement and supervision by the professional teaching staff are critical. In addition, it is vitally important for the student to interact with professional staff members in a non-classroom-type environment.

Therefore, it is envisioned that each professional staff member will supervise or sponsor at least one activity. The Administration will post the activities that the district will sponsor for each school year and will accept applications for those activities. On a yearly basis, non-athletic Schedule C positions will be open to any staff member interested. It is not to be assumed that staff members serving a Schedule C role will continue in that role from one school year to the next. The building-level administrator will open all non-athletic Schedule C positions for staff consideration no later than the last day of the school year and make a final decision on the staff member who will fill that role prior to the first day of school of the forthcoming school year. In the event that a sponsorship remains unfilled through the voluntary application process, the Association agrees to assist the Administration in filling that position. The staff member will be reimbursed for such sponsorship as per the amount listed on Schedule “C”.

6. The Administration will assign Centreville Public School teaching staff to all these specific positions in conjunction with current classes.

Assignments that are fully completed prior to the start of Semester 2 will be paid in full within two pay periods of the start of Semester 2 if the advisor makes a request in writing to Human Resources prior to the start of Semester 2.**
