**Rationale:**

Honoring students and staff at Boerne ISD board meetings is a cherished tradition that celebrates the dedication, achievements, and character of those who make our schools outstanding. Recognizing students for their academic, athletic, artistic, and leadership accomplishments not only validates their hard work but also inspires their peers. For our staff, it's an opportunity to honor the educators and support personnel who go above and beyond to nurture and guide our students every day. These moments highlight the positive impact our district has on the community and reinforce the value of excellence, teamwork, and resilience. By honoring our students and staff publicly, we strengthen our commitment to a culture of encouragement, gratitude, and success that extends beyond the classroom.
