## Welcome Back...

*Christine Correa*

*We are so excited to announce the return of Ms Christine Correa! She used to be the ERC teacher at LBMS a couple of years ago, and now she's come back to teach 5th grade.*

*She is excited to get started and meet all of the new fifth graders here at Lorna Byrne and catch up with all the staff members. She really missed all of the students, and can't wait until we are all back in the building together, having fun and learning!*

*Welcome Back, Ms. Correa!*

*What's happening LBMS peeps?*

*Hope everybody is doing good, it's been great seeing you all online...*

*I am still waiting on direction from the district regarding book checkouts during distance learning...hopefully we will have an answer soon. I have been building a how-to video for all of you, that shows how to browse and request holds for books online...stand by for more information.*

*I've been asked a few times recently about returning books you may still have from last school year. We have a collection box out in front of the school Mon-Thurs that you can drop your books into, all the late fines from last March 20th onward will be deleted...however, any lost books will still need to be paid for. For questions, contact me during school hours.*
