Background:

Currently, the District has two types of outstanding bond debt. One series of debt is in the form of DESB (Debt Extension Service Base). This type of debt allows the District to levy without voter approval, as determined by the tax cap legislation. The second type of debt the district maintains is referendum debt. In 1991, the voters approved \$8.5 million debt issuances. Both series (2009A and 2009B) were refinanced in 2009 and are callable on November 1, 2019. Most debt certificates cannot be refinanced or paid off within 10 years of being issued.

Situation:

Tonight the Board of Education will consider two Resolutions to authorize the sale of bonds for the purpose of (i) currently refunding the Series 2009A Bonds and the Series 2009B Bonds and (ii) increasing the Working Cash Fund. The proceeds of the Working Cash Fund Bonds will be used to pay for capital projects. Issuing the refunding bonds at the same time allows for greater savings on the fixed portion of the issuance costs. It is projected that the refunding portion of the bond issue could yield a combined net savings of approximately \$141,000.

The bond resolutions are “parameters” resolutions which authorize the District to proceed with the bond sale within certain parameters with no further board action. The resolutions authorize a School Board Member and the Director of Finance to approve the final interest rates on the financing as long as the final numbers are within the parameters set forth in these resolutions. The parameters bond resolutions allow flexibility with regards to the timing of pricing the bonds.

Recommendation:

That the Board of Education approve the attached Resolutions for purposes of increasing the Working Cash Fund and refunding outstanding bonds of the District.

MINUTES of a regular public meeting of the Board of Education of School District Number 13, DuPage County, Illinois, held at the District Administrative Office, 164 South Euclid Avenue, Bloomingdale, Illinois, in said School District at 7:00 o'clock P.M., on the 23rd day of September, 2019.

The meeting was called to order by the President, and upon the roll being called, Cary Moreth, the President, and the following members were physically present at said location: _____

The following members were allowed by a majority of the members of the Board of Education in accordance with and to the extent allowed by rules adopted by the Board of Education to attend the meeting by video or audio conference: _____

No member was not permitted to attend the meeting by video or audio conference.

The following members were absent and did not participate in the meeting in any manner or to any extent whatsoever: _____

The President announced that the next item for consideration was the issuance of not to exceed \$1,100,000 general obligation bonds to be issued by the District pursuant to Article 19 of the School Code for the purpose of refunding certain of the District's outstanding bonds and that the Board of Education would consider the adoption of a resolution providing for the issue of said bonds and the levy of a direct annual tax sufficient to pay the principal and interest thereon. The President then explained that the resolution sets forth the parameters for the issuance of said bonds and sale thereof by designated officials of the District and summarized the pertinent terms of said

parameters, including the specific parameters governing the manner of sale, length of maturity, rates of interest, purchase price and tax levy for said bonds.

Whereupon Member _____ presented and the Secretary read by title a resolution as follows, a copy of which was provided to each member of the Board of Education prior to said meeting and to everyone in attendance at said meeting who requested a copy:

RESOLUTION providing for the issue of not to exceed \$1,100,000 General Obligation Refunding School Bonds of School District Number 13, DuPage County, Illinois, for the purpose of refunding certain outstanding bonds of said School District, providing for the levy of a direct annual tax sufficient to pay the principal and interest on said bonds, and authorizing the execution of a Bond Purchase Agreement with Raymond James & Associates, Inc., in connection with the proposed sale of said bonds.

* * *

WHEREAS, School District Number 13, DuPage County, Illinois (the “*District*”), has outstanding Refunding School Bonds, Series 2009B, dated November 15, 2009 (the “*Prior Bonds*”); and

WHEREAS, it is necessary and desirable to refund all or a portion of the Prior Bonds (said portion of the Prior Bonds to be refunded being referred to herein as the “*Refunded Bonds*”) in order to realize debt service savings for the District; and

WHEREAS, the Refunded Bonds shall be more fully described in the Escrow Agreement referred to in Section 12 hereof and are presently outstanding and unpaid and are binding and subsisting legal obligations of the District; and

WHEREAS, in accordance with the terms of the Refunded Bonds, the Refunded Bonds due on and after November 1, 2020, may be called for redemption prior to their maturity, and it is necessary and desirable to make such call for the redemption of such Refunded Bonds on their earliest possible and practicable call date, and provide for the giving of proper notice to the registered owners of such Refunded Bonds; and

WHEREAS, the Board of Education of the District (the “*Board*”) has determined that in order to refund the Refunded Bonds, it is necessary and in the best interests of the District to borrow an amount not to exceed \$1,100,000 and issue bonds of the District therefor; and

WHEREAS, the bonds to be issued hereunder shall be payable from a direct annual ad valorem tax levied against all taxable property in the District, without limitation as to rate or amount; and

WHEREAS, the Property Tax Extension Limitation Law of the State of Illinois, as amended, imposes certain limitations on the “*aggregate extension*” of certain property taxes levied by the District, but provides that the definition of “*aggregate extension*” applicable to the District contained in Section 18-185 of the Property Tax Code of the State of Illinois, as amended, does not include extensions “made for any taxing district to pay interest or principal on bonds issued to refund or continue to refund bonds that were approved by referendum”; and

WHEREAS, the Board does hereby find and determine that the Prior Bonds were issued to continue to refund bonds that were approved by referendum; and

WHEREAS, the County Clerk of The County of DuPage, Illinois (the “*County Clerk*”), is therefore authorized to extend and collect said tax so levied for the payment of the bonds to be issued hereunder without limitation as to rate or amount:

NOW, THEREFORE, Be It and It Is Hereby Resolved by the Board of Education of School District Number 13, DuPage County, Illinois, as follows:

Section 1. Incorporation of Preambles. The Board hereby finds that all of the recitals contained in the preambles to this Resolution are full, true and correct and does incorporate them into this Resolution by this reference.

Section 2. Authorization. It is hereby found and determined that the Board has been authorized by law to borrow not to exceed \$1,100,000 upon the credit of the District and as evidence of such indebtedness to issue bonds of the District to said amount, the proceeds of said bonds to be used to refund the Refunded Bonds, and that it is necessary and for the best interests of the District that there be issued an amount not to exceed \$1,100,000 of the bonds so authorized.

Section 3. Bond Details. There be borrowed on the credit of and for and on behalf of the District an amount not to exceed \$1,100,000 for the purpose aforesaid; and that bonds of the District (the “*Bonds*”) shall be issued to said amount and shall be designated “General Obligation Refunding School Bonds, Series 20[___]A,” with such additional series designation as set forth in the Bond Notification (as hereinafter defined). The Bonds shall be dated such date (not prior to September 30, 2019, and not later than March 30, 2020) as set forth in the Bond Notification, and shall also bear the date of authentication, shall be in fully registered form, shall be in denominations of \$5,000 each and authorized integral multiples thereof (but no single Bond shall represent installments of principal maturing on more than one date) and shall be numbered 1 and upward. The Bonds shall become due and payable serially or be subject to mandatory redemption (without option of prior redemption) on November 1 of each of the years (not later than 2023), in the amounts (not exceeding \$300,000 per year) and bearing interest at the rates per annum (not exceeding 5% per annum) as set forth in the Bond Notification.

The Bonds shall bear interest from their date or from the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of the Bonds is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable semi-annually commencing with the first interest payment date as set forth in the Bond Notification, and on May 1 and November 1 of each year thereafter to maturity.

Interest on each Bond shall be paid by check or draft of Zions Bancorporation, National Association, Chicago, Illinois (the “*Bond Registrar*”), payable upon presentation in lawful money of the United States of America, to the person in whose name such Bond is registered at the close of business on the 15th day of the month next preceding the interest payment date. The principal of the Bonds shall be payable in lawful money of the United States of America at the principal corporate trust office (the “*Principal Office*”) of the Bond Registrar.

The Bonds shall be signed by the manual or facsimile signatures of the President and Secretary of the Board, and shall be registered, numbered and countersigned by the manual or facsimile signature of the School Treasurer who receives the taxes of the District, as they shall determine, and in case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

All Bonds shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Bond Registrar as authenticating agent of the District and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Resolution unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Resolution. The certificate of authentication on any Bond shall be deemed to have been executed by the Bond Registrar if signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 4. Registration of Bonds; Persons Treated as Owners. (a) General. The District shall cause books (the "*Bond Register*") for the registration and for the transfer of the Bonds as provided in this Resolution to be kept at the Principal Office of the Bond Registrar, which is hereby constituted and appointed the registrar of the District. The District is authorized to prepare, and the Bond Registrar shall keep custody of, multiple Bond blanks executed by the District for use in the transfer and exchange of Bonds.

Upon surrender for transfer of any Bond at the Principal Office of the Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory

to the Bond Registrar and duly executed by, the registered owner or his or her attorney duly authorized in writing, the District shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of the same maturity of authorized denominations, for a like aggregate principal amount. Any fully registered Bond or Bonds may be exchanged at said office of the Bond Registrar for a like aggregate principal amount of Bond or Bonds of the same maturity of other authorized denominations. The execution by the District of any fully registered Bond shall constitute full and due authorization of such Bond and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond, *provided, however*, the principal amount of outstanding Bonds of each maturity authenticated by the Bond Registrar shall not exceed the authorized principal amount of Bonds for such maturity less previous retirements.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period beginning at the close of business on the 15th day of the month next preceding any interest payment date on such Bond and ending at the opening of business on such interest payment date, nor to transfer or exchange any Bond after notice calling such Bond for redemption has been mailed, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bonds.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any Bond shall be made only to or upon the order of the registered owner thereof or his or her legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the District or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental

charge that may be imposed in connection with any transfer or exchange of Bonds, except in the case of the issuance of a Bond or Bonds for the unredeemed portion of a Bond surrendered for redemption.

(b) *Global Book-Entry System.* The Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities of the Bonds determined as described in Section 3 hereof. Upon initial issuance, the ownership of each such Bond shall be registered in the Bond Register in the name of Cede & Co., or any successor thereto (“*Cede*”), as nominee of The Depository Trust Company, New York, New York, and its successors and assigns (“*DTC*”). All of the outstanding Bonds shall be registered in the Bond Register in the name of Cede, as nominee of DTC, except as hereinafter provided. The President and Secretary of the Board, the Superintendent and Director of Finance of the District and the Bond Registrar are each authorized to execute and deliver, on behalf of the District, such letters to or agreements with DTC as shall be necessary to effectuate such book-entry system (any such letter or agreement being referred to herein as the “*Representation Letter*”), which Representation Letter may provide for the payment of principal of or interest on the Bonds by wire transfer.

With respect to Bonds registered in the Bond Register in the name of Cede, as nominee of DTC, the District and the Bond Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which DTC holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a “*DTC Participant*”) or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the District and the Bond Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of a

Bond as shown in the Bond Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any amount with respect to the principal of or interest on the Bonds. The District and the Bond Registrar may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Bond Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the respective registered owners of the Bonds, as shown in the Bond Register, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of the principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than a registered owner of a Bond as shown in the Bond Register, shall receive a Bond evidencing the obligation of the District to make payments of principal and interest with respect to any Bond. Upon delivery by DTC to the Bond Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede, and subject to the provisions in Section 3 hereof with respect to the payment of interest to the registered owners of Bonds at the close of business on the 15th day of the month next preceding the applicable interest payment date, the name "Cede" in this Resolution shall refer to such new nominee of DTC.

In the event that (i) the District determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, (ii) the agreement among the District, the Bond Registrar and DTC evidenced by the Representation Letter shall be terminated for any reason or (iii) the District determines that it is in the best interests of the beneficial owners

of the Bonds that they be able to obtain certificated Bonds, the District shall notify DTC and DTC Participants of the availability through DTC of certificated Bonds and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of Cede, as nominee of DTC. At that time, the District may determine that the Bonds shall be registered in the name of and deposited with such other depository operating a universal book-entry system, as may be acceptable to the District, or such depository's agent or designee, and if the District does not select such alternate universal book-entry system, then the Bonds may be registered in whatever name or names registered owners of Bonds transferring or exchanging Bonds shall designate, in accordance with the provisions of Section 4(a) hereof.

Notwithstanding any other provisions of this Resolution to the contrary, so long as any Bond is registered in the name of Cede, as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the name provided in the Representation Letter.

Section 5. Redemption. (a) Mandatory Redemption. The Bonds maturing on the date or dates, if any, indicated in the Bond Notification shall be subject to mandatory redemption, in integral multiples of \$5,000 selected by lot by the Bond Registrar, at a redemption price of par plus accrued interest to the redemption date on November 1 of the years, if any, and in the principal amounts, if any, as indicated in the Bond Notification.

On or prior to the 60th day preceding any mandatory redemption date, the Bond Registrar may, and if directed by the Board shall, purchase Bonds required to be retired on such mandatory redemption date. Any such Bonds so purchased shall be cancelled and the principal amount thereof shall be credited against the mandatory redemption required on such next mandatory redemption date.

(b) *General.* The Bonds shall be redeemed only in the principal amount of \$5,000 and integral multiples thereof. For purposes of any redemption of less than all of the outstanding Bonds of a single maturity, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot by the Bond Registrar from the Bonds of such maturity by such method of lottery as the Bond Registrar shall deem fair and appropriate; *provided* that such lottery shall provide for the selection for redemption of Bonds or portions thereof so that any \$5,000 Bond or \$5,000 portion of a Bond shall be as likely to be called for redemption as any other such \$5,000 Bond or \$5,000 portion. The Bond Registrar shall make such selection upon the earlier of the irrevocable deposit of funds with an escrow agent sufficient to pay the redemption price of the Bonds to be redeemed or the time of the giving of official notice of redemption.

The Bond Registrar shall promptly notify the District in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

Section 6. Redemption Procedure. Unless waived by any holder of Bonds to be redeemed, notice of the call for any such redemption shall be given by the Bond Registrar on behalf of the District by mailing the redemption notice by first class mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to the registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

All notices of redemption shall state:

- (1) the redemption date,
- (2) the redemption price,
- (3) if less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,

(4) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,

(5) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the Principal Office of the Bond Registrar, and

(6) such other information then required by custom, practice or industry standard.

Prior to any redemption date, the District shall deposit with the Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

Notice of redemption having been given as aforesaid, and notwithstanding the failure to receive such notice, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the District shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Bond Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered holder a new Bond or Bonds of the same maturity in the amount of the unpaid principal.

If any Bond or portion of Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the Bond Registrar and shall not be reissued.

Section 7. Form of Bond. The Bonds shall be in substantially the following form; *provided, however,* that if the text of the Bond is to be printed in its entirety on the front side of the Bond, then paragraph [2] and the legend, “See Reverse Side for Additional Provisions”, shall

be omitted and paragraph [6] and the paragraphs thereafter as may be appropriate shall be inserted immediately after paragraph [1]:

Section 8. Sale of Bonds. The President of the Board and either the Superintendent or Director of Finance of the District (the “*Designated Representatives*”) are hereby authorized to proceed not later than the 23rd day of March, 2020, without any further authorization or direction from the Board, to sell the Bonds upon the terms as prescribed in this Resolution. The Bonds hereby authorized shall be executed as in this Resolution provided as soon after the delivery of the Bond Notification as may be, and thereupon be deposited with the School Treasurer who receives the taxes of the District, and, after authentication thereof by the Bond Registrar, be by said Treasurer delivered to Raymond James & Associates, Inc., Chicago, Illinois (the “*Purchaser*”), upon receipt of the purchase price therefor, the same being not less than 98% of the principal amount of the Bonds (exclusive of any original issue discount), plus any accrued interest to date of delivery, it being hereby found and determined that the sale of the Bonds to the Purchaser is in the best interests of the District and that no person holding any office of the District, either by election or appointment, is in any manner interested, directly or indirectly, in his or her own name or in the name of any other person, association, trust or corporation, in the sale of the Bonds to the Purchaser.

Prior to the sale of the Bonds, the President of the Board and the Superintendent and Director of Finance of the District are each hereby authorized to approve and execute a commitment for the purchase of a Municipal Bond Insurance Policy (as hereinafter defined), to further secure the Bonds, as long as the present value of the fee to be paid for the Municipal Bond Insurance Policy (using as a discount rate the expected yield on the Bonds treating the fee paid as interest on the Bonds) is less than the present value of the interest reasonably expected to be saved on the Bonds over the term of the Bonds as a result of the Municipal Bond Insurance Policy.

Upon the sale of the Bonds, the Designated Representatives shall prepare a Notification of Sale of the Bonds, which shall include the pertinent details of sale as provided herein (the “*Bond*

Notification”). In the Bond Notification, the Designated Representatives shall find and determine that the Bonds have been sold at such price and bear interest at such rates that either the true interest cost (yield) or the net interest rate received upon the sale of the Bonds does not exceed the maximum rate otherwise authorized by applicable law and that the net present value debt service savings to the District as a result of the issuance of the Bonds and the refunding of the Refunded Bonds is not less than 3% of the principal amount of the Refunded Bonds. The Bond Notification shall be entered into the records of the District and made available to the Board at the next regular meeting thereof; but such action shall be for information purposes only, and the Board shall have no right or authority at such time to approve or reject the sale as evidenced in the Bond Notification.

Upon the sale of the Bonds, as evidenced by the execution and delivery of the Bond Notification by the Designated Representatives, the President and Secretary of the Board, the School Treasurer who receives the taxes of the District, the Superintendent and Director of Finance of the District and any other officers of the District, as shall be appropriate, each shall be and are hereby authorized and directed to approve or execute, or both, such documents of sale of the Bonds as may be necessary, including, without limitation, the contract for the sale of the Bonds between the District and the Purchaser (the “*Purchase Contract*”). Prior to the execution and delivery of the Purchase Contract, the Designated Representatives shall find and determine that no person holding any office of the District, either by election or appointment, is in any manner interested, directly or indirectly, in his or her own name or in the name of any other person, association, trust or corporation, in the Purchase Contract.

The Bonds before being issued shall be registered, numbered and countersigned by the School Treasurer who receives the taxes of the District, such registration being made in a book provided for that purpose, in which shall be entered the record of the resolution authorizing the

Board to borrow said money and a description of the Bonds issued, including the number, date, to whom issued, amount, rate of interest and when due.

The use by the Purchaser of any Preliminary Official Statement and any final Official Statement relating to the Bonds (the “*Official Statement*”) is hereby ratified, approved and authorized; the execution and delivery of the Official Statement is hereby authorized; and the officers of the Board are hereby authorized to take any action as may be required on the part of the District to consummate the transactions contemplated by the Purchase Contract, this Resolution, said Preliminary Official Statement, the Official Statement and the Bonds.

Section 9. Tax Levy. In order to provide for the collection of a direct annual tax sufficient to pay the interest on the Bonds as it falls due, and also to pay and discharge the principal thereof at maturity, there be and there is hereby levied upon all the taxable property within the District a direct annual tax for each of the years while the Bonds or any of them are outstanding, in amounts sufficient for that purpose, and that there be and there is hereby levied upon all of the taxable property in the District, the following direct annual tax, to-wit:

To the extent that the taxes levied above exceed the amount necessary to pay debt service on the Bonds as set forth in the Bond Notification, the President and Secretary of the Board and the School Treasurer who receives the taxes of the District are hereby authorized to direct the abatement of such taxes to the extent of the excess of such levy in each year over the amount necessary to pay debt service on the Bonds in the following bond year. Proper notice of such abatement shall be filed with the County Clerk in a timely manner to effect such abatement.

Forthwith upon the passage of this Resolution, the Secretary of the Board is hereby directed to file a certified copy of this Resolution with the County Clerk, and it shall be the duty of the County Clerk to annually in and for each of the years 2019 to 2022, inclusive, ascertain the rate necessary to produce the tax herein levied, and extend the same for collection on the tax books against all of the taxable property within the District in connection with other taxes levied in each of said years for school purposes, in order to raise the respective amounts aforesaid and in each of said years such annual tax shall be computed, extended and collected in the same manner as now or hereafter provided by law for the computation, extension and collection of taxes for general school purposes of the District, and when collected, the taxes hereby levied shall be placed to the credit of the special fund to be designated “Refunding Bond and Interest Sinking Fund Account of 20[___]A” (the “*Bond Fund*”), which taxes are hereby irrevocably pledged to and shall be used only for the purpose of paying the

principal of and interest on the Bonds; and a certified copy of this Resolution shall also be filed with the School Treasurer who receives the taxes of the District.

The President and Secretary of the Board and the School Treasurer who receives the taxes of the District be and the same are hereby directed to prepare and file with the County Clerk a Certificate of Reduction of Taxes Heretofore Levied for the Payment of Bonds showing the Prior Bonds being refunded and directing the abatement of the taxes heretofore levied to pay the Refunded Bonds, all as provided by Section 19-23 of the School Code of the State of Illinois, as amended.

Section 11. Use of Taxes Heretofore Levied. All proceeds received or to be received from any taxes heretofore levied to pay principal and interest on the Refunded Bonds, including the proceeds received or to be received from the taxes levied for the year 2018 or 2019, as applicable, for such purpose, shall be used to pay the principal of and interest on the Refunded Bonds and to the extent that such proceeds are not needed for such purpose because of the deposit with the paying agent for the Prior Bonds (the “*Prior Paying Agent*”) or the establishment of the escrow referred to in Section 12 hereof, the same shall be deposited into the Bond Fund and used to pay principal and interest on the Bonds in accordance with all of the provisions of this Resolution.

Section 12. Use of Bond Proceeds; Call of Refunded Bonds. Any accrued interest received on the delivery of the Bonds is hereby appropriated for the purpose of paying first interest due on the Bonds and is hereby ordered deposited into the Bond Fund. Simultaneously with the delivery the Bonds, the principal proceeds of the Bonds, together with any premium received from the sale of the Bonds and such additional amounts as may be necessary from the general funds of the District, are hereby appropriated to pay the costs of issuance of the Bonds and for the purpose of refunding the Refunded Bonds, and that portion thereof not needed to pay such costs is hereby ordered deposited (i) with the Prior Paying Agent or (ii) in escrow pursuant to an Escrow Letter

Agreement (the “*Escrow Agreement*”) to be entered into between the District and Zions Bancorporation, National Association, Chicago, Illinois (the “*Escrow Agent*”), the Escrow Agreement in substantially the form attached hereto as *Exhibit A* and made a part hereof by this reference, or with such changes therein as shall be approved by the officers of the District executing the Escrow Agreement, such execution to constitute evidence of the approval of such changes, for the purpose of paying the principal of and interest on the Refunded Bonds, as provided in the Escrow Agreement. The Board approves the form, terms and provisions of the Escrow Agreement and directs the President and Secretary of the Board to execute, attest and deliver the Escrow Agreement in the name and on behalf of the District. Amounts in the escrow may be used to purchase direct obligations of or obligations guaranteed by the full faith and credit of the United States of America as to principal and interest (the “*Government Securities*”) to provide for the payment of the principal of and interest on the Refunded Bonds, as provided in the Escrow Agreement. The Escrow Agent and the Purchaser are each hereby authorized to act as agent for the District in the purchase of the Government Securities.

At the time of the issuance of the Bonds, the costs of issuance of the Bonds may be paid by the Purchaser or the Bond Registrar on behalf of the District from the proceeds of the Bonds.

In accordance with the redemption provisions of the resolution authorizing the issuance of the Refunded Bonds, the District by the Board does hereby make provision for the payment of and does hereby call (subject only to the delivery of the Bonds) the Refunded Bonds due on and after November 1, 2020, for redemption on the earliest possible and practicable call date as determined by the Designated Representatives in the Bond Notification, said redemption date being within 90 days of the date of delivery of the Bonds.

Section 13. Non-Arbitrage and Tax-Exemption. The District hereby covenants that it will not take any action, omit to take any action or permit the taking or omission of any action

within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Internal Revenue Code of 1986, as amended (the “Code”), or would otherwise cause the interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The District acknowledges that, in the event of an examination by the Internal Revenue Service (the “IRS”) of the exemption from Federal income taxation for interest paid on the Bonds, under present rules, the District may be treated as a “taxpayer” in such examination and agrees that it will respond in a commercially reasonable manner to any inquiries from the IRS in connection with such an examination.

The District also agrees and covenants with the purchasers and holders of the Bonds from time to time outstanding that, to the extent possible under Illinois law, it will comply with whatever federal tax law is adopted in the future which applies to the Bonds and affects the tax-exempt status of the Bonds.

The Board hereby authorizes the officials of the District responsible for issuing the Bonds, the same being the President and Secretary of the Board and the School Treasurer who receives the taxes of the District, to make such further covenants and certifications regarding the specific use of the proceeds of the Bonds as approved by the Board and as may be necessary to assure that the use thereof will not cause the Bonds to be arbitrage bonds and to assure that the interest on the Bonds will be exempt from federal income taxation. In connection therewith, the District and the Board further agree: (a) through their officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to consult with counsel approving the Bonds and to comply with such advice as may be given; (c) to pay to the United States, as necessary, such sums of money representing required rebates of excess

arbitrage profits relating to the Bonds; (d) to file such forms, statements, and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by their officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the District in such compliance.

Section 14. Designation of Bonds. The District hereby designates each of the Bonds as a “qualified tax-exempt obligation” for the purposes and within the meaning of Section 265(b)(3) of the Code.

Section 15. List of Bondholders. The Bond Registrar shall maintain a list of the names and addresses of the holders of all Bonds and upon any transfer shall add the name and address of the new Bondholder and eliminate the name and address of the transferor Bondholder.

Section 16. Duties of Bond Registrar. If requested by the Bond Registrar, the President and Secretary of the Board are authorized to execute the Bond Registrar’s standard form of agreement between the District and the Bond Registrar with respect to the obligations and duties of the Bond Registrar hereunder which may include the following:

- (a) to act as bond registrar, authenticating agent, paying agent and transfer agent as provided herein;
- (b) to maintain a list of Bondholders as set forth herein and to furnish such list to the District upon request, but otherwise to keep such list confidential;
- (c) to give notice of redemption of Bonds as provided herein;
- (d) to cancel and/or destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer;
- (e) to furnish the District at least annually a certificate with respect to Bonds cancelled and/or destroyed; and
- (f) to furnish the District at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds.

Section 17. Continuing Disclosure Undertaking. The President of the Board is hereby authorized, empowered and directed to execute and deliver a Continuing Disclosure Undertaking under Section (b)(5) of Rule 15c2-12 adopted by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended (the “*Continuing Disclosure Undertaking*”). When the Continuing Disclosure Undertaking is executed and delivered on behalf of the District as herein provided, the Continuing Disclosure Undertaking will be binding on the District and the officers, employees and agents of the District, and the officers, employees and agents of the District are hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Continuing Disclosure Undertaking as executed. Notwithstanding any other provision of this Resolution, the sole remedy for failure to comply with the Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any Bond to seek mandamus or specific performance by court order to cause the District to comply with its obligations under the Continuing Disclosure Undertaking.

Section 18. Municipal Bond Insurance. In the event the payment of principal and interest on the Bonds is insured pursuant to a municipal bond insurance policy (the “*Municipal Bond Insurance Policy*”) issued by a bond insurer (the “*Bond Insurer*”), and as long as the Municipal Bond Insurance Policy shall be in full force and effect, the District and the Bond Registrar agree to comply with such usual and reasonable provisions regarding presentment and payment of the Bonds, subrogation of the rights of the Bondholders to the Bond Insurer upon payment of the Bonds by the Bond Insurer, amendment hereof, or other terms, as approved by the President of the Board on advice of counsel, his or her approval to constitute full and complete acceptance by the District of such terms and provisions under authority of this Section.

Section 19. Record-Keeping Policy and Post-Issuance Compliance Matters. It is necessary and in the best interests of the District to maintain sufficient records to demonstrate compliance with its covenants and expectations to ensure the appropriate federal tax status for the Bonds and other debt obligations of the District, the interest on which is excludable from “gross income” for federal income tax purposes or which enable the District or the holder to receive federal tax benefits, including, but not limited to, qualified tax credit bonds and other specified tax credit bonds (including the Bonds, the “*Tax Advantaged Obligations*”). Further, it is necessary and in the best interest of the District that (i) the Board adopt policies with respect to record-keeping and post issuance compliance with the District’s covenants related to its Tax Advantaged Obligations and (ii) the Compliance Officer (as hereinafter defined) at least annually review the District’s Contracts (as hereinafter defined) to determine whether the Tax Advantaged Obligations comply with the federal tax requirements applicable to each issue of the Tax Advantaged Obligations. The Board and the District hereby adopt the following Record-Keeping Policy:

(a) *Compliance Officer Is Responsible for Records.* The Director of Finance of the District (the “*Compliance Officer*”) is hereby designated as the keeper of all records of the District with respect to each issue of the Tax Advantaged Obligations, and such officer shall report to the Board at least annually that he/she has all of the required records in his/her possession, or is taking appropriate action to obtain or recover such records.

(b) *Closing Transcripts.* For each issue of Tax Advantaged Obligations, the Compliance Officer shall receive, and shall keep and maintain, a true, correct and complete counterpart of each and every document and agreement delivered in connection with the issuance of the Tax Advantaged Obligations, including without limitation (i) the proceedings of the District authorizing the Tax Advantaged Obligations, (ii) any offering document with respect to the offer and sale of the Tax Advantaged Obligations, (iii) any legal opinions with respect to the Tax Advantaged Obligations delivered by any lawyers, and (iv) all written representations of any person delivered in connection with the issuance and initial sale of the Tax Advantaged Obligations.

(c) *Arbitrage Rebate Liability.* The Compliance Officer shall review the agreements of the District with respect to each issue of Tax Advantaged Obligations and shall prepare a report for the Board stating whether or not the District has any rebate liability to the United States Treasury, and setting forth any applicable exemptions that

each issue of Tax Advantaged Obligations may have from rebate liability. Such report shall be updated annually and delivered to the Board.

(d) *Recommended Records.* The Compliance Officer shall review the records related to each issue of Tax Advantaged Obligations and shall determine what requirements the District must meet in order to maintain the tax-exemption of interest paid on its Tax Advantaged Obligations, its entitlement to direct payments by the United States Treasury of the applicable percentages of each interest payment due and owing on its Tax Advantaged Obligations, and applicable tax credits or other tax benefits arising from its Tax Advantaged Obligations. The Compliance Officer shall then prepare a list of the contracts, requisitions, invoices, receipts and other information that may be needed in order to establish that the interest paid on the Tax Advantaged Obligations is entitled to be excluded from “gross income” for federal income tax purposes, that the District is entitled to receive from the United States Treasury direct payments of the applicable percentages of interest payments coming due and owing on its Tax Advantaged Obligations, and the entitlement of holders of any Tax Advantaged Obligations to any tax credits or other tax benefits, respectively. Notwithstanding any other policy of the District, such retained records shall be kept for as long as the Tax Advantaged Obligations relating to such records (and any obligations issued to refund the Tax Advantaged Obligations) are outstanding, plus three years, and shall at least include:

(i) complete copies of the transcripts delivered when any issue of Tax Advantaged Obligations is initially issued and sold;

(ii) copies of account statements showing the disbursements of all Tax Advantaged Obligation proceeds for their intended purposes, and records showing the assets and other property financed by such disbursements;

(iii) copies of account statements showing all investment activity of any and all accounts in which the proceeds of any issue of Tax Advantaged Obligations has been held or in which funds to be used for the payment of principal of or interest on any Tax Advantaged Obligations has been held, or which has provided security to the holders or credit enhancers of any Tax Advantaged Obligations;

(iv) copies of all bid requests and bid responses used in the acquisition of any special investments used for the proceeds of any issue of Tax Advantaged Obligations, including any swaps, swaptions, or other financial derivatives entered into in order to establish that such instruments were purchased at *fair market value*;

(v) copies of any subscriptions to the United States Treasury for the purchase of State and Local Government Series (SLGS) obligations;

(vi) any calculations of liability for *arbitrage rebate* that is or may become due with respect to any issue of Tax Advantaged Obligations, and any calculations prepared to show that no arbitrage rebate is due, together, if applicable, with

account statements or cancelled checks showing the payment of any rebate amounts to the United States Treasury together with any applicable IRS Form 8038-T; and

(vii) copies of all contracts and agreements of the District, including any leases (the “*Contracts*”), with respect to the use of any property owned by the District and acquired, constructed or otherwise financed or refinanced with the proceeds of the Tax Advantaged Obligations effective at any time when such Tax Advantaged Obligations are, will or have been outstanding. Copies of contracts covering no more than 50 days of use and contracts related to District employees need not be retained.

(e) *IRS Examinations or Inquiries.* In the event the IRS commences an examination of any issue of Tax Advantaged Obligations or requests a response to a compliance check, questionnaire or other inquiry, the Compliance Officer shall inform the Board of such event, and is authorized to respond to inquiries of the IRS, and to hire outside, independent professional counsel to assist in the response to the examination or inquiry.

(f) *Annual Review.* The Compliance Officer shall conduct an annual review of the Contracts and other records to determine for each issue of Tax Advantaged Obligations then outstanding whether each such issue complies with the federal tax requirements applicable to such issue, including restrictions on private business use, private payments and private loans. The Compliance Officer is expressly authorized, without further official action of the Board, to hire outside, independent professional counsel to assist in such review. To the extent that any violations or potential violations of federal tax requirements are discovered incidental to such review, the Compliance Officer may make recommendations or take such actions as the Compliance Officer shall reasonably deem necessary to assure the timely correction of such violations or potential violations through remedial actions described in the United States Treasury Regulations, or the Tax Exempt Bonds Voluntary Closing Agreement Program described in Treasury Notice 2008-31 or similar program instituted by the IRS.

(g) *Training.* The Compliance Officer shall undertake to maintain reasonable levels of knowledge concerning the rules related to tax-exempt bonds (and build America bonds and tax credit bonds to the extent the District has outstanding build America bonds or tax-credit bonds) so that such officer may fulfill the duties described in this Section. The Compliance Officer may consult with counsel, attend conferences and presentations of trade groups, read materials posted on various web sites, including the web site of the Tax Exempt Bond function of the IRS, and use other means to maintain such knowledge. Recognizing that the Compliance Officer may not be fully knowledgeable in this area, the Compliance Officer may consult with outside counsel, consultants and experts to assist him or her in exercising his or her duties hereunder. The Compliance Officer will endeavor to make sure that the District’s staff is aware of the need for continuing compliance. The Compliance Officer will provide copies of this Resolution and the Tax Exemption Certificate and Agreement or other applicable tax documents for each series of Tax Advantaged Obligations then currently outstanding (the “*Tax Agreements*”) to staff

members who may be responsible for taking actions described in such documents. The Compliance Officer should assist in the education of any new Compliance Officer and the transition of the duties under these procedures. The Compliance Officer will review this Resolution and each of the Tax Agreements periodically to determine if there are portions that need further explanation and, if so, will attempt to obtain such explanation from counsel or from other experts, consultants or staff.

(h) *Amendment and Waiver.* The procedures described in this Section are only for the benefit of the District. No other person (including an owner of a Tax Advantaged Obligation) may rely on the procedures included in this Section. The District may amend this Section and any provision of this Section may be waived, without the consent of the holders of any Tax Advantaged Obligations and as authorized by passage of a resolution by the Board. Additional procedures may be required for Tax Advantaged Obligations the proceeds of which are used for purposes other than capital governmentally owned projects or refundings of such, including tax increment financing bonds, bonds financing output facilities, bonds financing working capital, or private activity bonds. The District also recognizes that these procedures may need to be revised in the event the District enters into any derivative products with respect to its Tax Advantaged Obligations

Section 20. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution.

Section 21. Repeal. All resolutions or parts thereof in conflict herewith be and the same are hereby repealed, and this Resolution shall be in full force and effect forthwith upon its adoption.
