

Mingus Union High School District #4

Summary of Prioritized Capital Needs

Administration presented information to staff and the Site Council and solicited feedback on prioritization of the identified capital needs for a potential capital override election. Here is a rank order list, from a staff survey and Site Council input.

1. Computer Replacements
2. Classroom Technology
3. Classroom Furniture
4. Computer Servers & Equipment Replacement
5. Textbooks
6. Photocopiers
7. Buses
8. Science Equipment
9. Security Equipment
10. Maintenance & Grounds Equipment
11. HVAC Replacements
12. Telephone System Replacement
13. Campus Lighting
14. Tennis Court Resurfacing
15. Parking Lot Resurfacing
16. Carpet Replacement
17. Athletic Equipment

The highest priorities appear to be those most directly reaching students and supporting instruction, although the Site Council did note the importance of all items. The staff survey response range was narrow, meaning staff also supported all items. Other suggestions were received, such as classroom painting and repairs.
