SUBJECT: Flooring Bids for former DHHS building

Bids were opened for the replacement of flooring at the former DHHS building on February 8th. Two bids were received, one from Murphy Builders LLC in the amount of \$99,402.17 and the other from Young's Flooring in the amount of \$87,078.31. Young's Flooring also offered an alternate carpet product which would result in the savings of \$8,000.00 however it is a much lighter duty product.

It would be my recommendation to approve the bid from Young's Flooring in the amount of \$87,078.31.
