Home of the Browning Indians!

BNAS committee

BNAS is getting ready for their summer program for Immersion teachers beginning June 7, 2021. They also are inviting guests to participate along with them.

Wellness

Committee Mtg.

The machines are here and they are putting them together as we speak. All buildings and departments will have their equipment. Next step to build in incentives to promote use and Wellness.

Strategic Plan Update

Trauma Invested

We are working on a Capstone Project for our district to continue working toward being trauma invested. Working on PD for Restorative Practices, Trauma and social emotional needs of our students for the upcoming year.

Cultural Life Skills and the wellness committee

The committee is providing training on second hand trauma to BNAS staff during the summer program. Follow up with all staff in the fall.

Community Involvement

for students with correlation with their interests

We will begin prioritizing the students interests and use those to provide activities this summer and next school year.

Construction UPDATE:

Browning Middle School - We love our school! Landscaping, window coverings and rest of the playground will be done this summer.

The Sports Complex construction multi court complex east of the gym should be poured soon. Signage has been approved, this is exciting.

Budget work session June ____, 2021

We would like to schedule budget work sessions this summer, with the first one beginning in June. Our goal is to go over all budgets before the August 25, 2021 Budget Adopted due date.

Mission Browning Public Schools works with all stakeholders – families, students, staff, trustees and community – to provide a high quality, culturally diverse education for all our children using guidance, teaching, and support through collaboration and communication.

VISION Browning Public Schools is a safe environment that teaches personal and community wellness and provides support and strategies for overcoming adversity. **In Browning Public Schools, we are free to teach and learn successfully. We instill and develop respect and pride for self, family, school, community, our environment and all cultures through service to others. We model hard work and personal accountability through humility and dedication – demonstrating that these values are the responsibility of all. We cultivate and nurture strong partnerships with the community to build citizens who have a sense of place, respect for Mother Earth, and an understanding of the rights and responsibilities of, and to, all people in all communities.**
