

Words From Principal Weiss.....

We got off to a great start and the school year is up and running. I would like to congratulate Nicole Larsen on being recognized by the Lion's Club as the Student of the Month. Nicole is well deserving of this award. I would also like to recognize Rob Money and our Speech and Debate team. Our Forensic team was recognized nationally as one of the programs in the top 10% of the nations high school forensic teams. A great accomplishment!

Progress Reports are right around the corner and we encourage all parents to actively be involved in their students academics. Please encourage your students to be the very best they can regarding homework, assignments, and studying for exams. Grades on our students transcript, beginning in 9th grade, stay with your student as they apply for college and jobs during and after high school.

I cannot stress enough the importance of students attending school on a regular basis. The state standard is 92% and we hope that all of our students are present more than the state standard. Regular attendance will breed success, please help us by making sure your student is at school.

The Oregon University System, PSAT, SAT, and College Night are approaching quickly. High School is just a stepping stone in our student's life and we highly encourage everyone to set goals beyond their high school career.

I would like to thank everyone who is involved with the North Valley community. Our attendance at sporting events is way up along with memberships in our Booster Club.

Homecoming week is October 3-7, please come by and be a part of the festivities. We have a Powder Puff game on Wednesday followed by a bon fire, Thursday we have a home VB game and then our football game on Friday. This is a very spirited week and we would love to see you involved.

Go Knights!
