Re: Activities Director Report - October

Our 1st Session of Winter Sports are in full Swing.

Basketball:

7th Girls-Gavin Parker is the A team coach and he has 8 girls on his roster. They have been practicing hard this last couple weeks, but unfortunately they have lost their first 3 games, loss to Parma 23-16, loss to Ontario 42-11 and loss to Weiser 37-11. Mike Frank has the B team, with a roster of 8. He has a pretty inexperienced team. His goal is to work on fundamentals which is great. They lost to Parma 6-36, Ontario 7-32, and Weiser. Both of these teams are improving which is great.

8th Girls-Raymond Smith has only an A Team this year for our 8th grade girls team. He has a roster of 9 girls. They have been practicing hard this last few weeks, they are looking to win the championship this year, as they lost to Fruitland last year for 2nd place. They have split their first two games this year. Tough loss to Parma 40-50, Raymond said they had way too many turnovers. But they came back on November 2nd and got a win against Ontario, 41-12. They had another tough loss to Weiser 37-33.

Wrestling:

Ryan Nash has 14 wrestlers this season. They have had 2 matches so far. Wednesday the 1st @ Parma and Monday the 6th here in Homedale. We also have an amended Schedule. We took off a meet and added a different one, and a change in date for another meet. I have attached the new Schedule. Deleted Nov 3 & 4, added Nov 11th and had to change a meet from the 20th to the 27th of November.

We wish all of our teams a successful season this year! Go Trojans
