Re: October, 2015 Report

- 1. Title I and State Compensatory Education** – We have 306 students who qualified for this program. This number drives our funding for Title 1 and SCE.
- 2. Assessment Accountability Regional Council (AARC)** – On October 5th, I attended the AARC training. We discussed how CTE coding can affect accountability. In addition, we dove deeper into Index 3 as well as the ESL and SpEd updates. Next Meeting – November 11th.
- 3. Direct Certification – Texas Department of Ag** – On October 5th, I downloaded the direct certification list from TXNUPS for our lunch program. In addition, I uploaded our active list to the Texas Department of Ag.
- 4. PSLA/PASCD** – On October 7th, I attended PSLA and PASCD at the Region Center.
- 5. HQ Meeting with Sharon Mills** – On October 14th, Sharon Mills (our Title I consultant) met with the Admin team to complete the HQ report. I am happy to announce that this year, we are 100% HQ.
- 6. Testing of Voting Machines for Early Voting** – On October 15, Brenda McKanna, Moore County Clerk, delivered and tested the voting machines for early voting for our bond election.
- 7. GT Director's Fall Meeting** – On October 16th, I attended the GT Director's Meeting at the ESC. In addition, I picked up ceiling tiles to replace the water damaged tiles (they filled the Suburban completely).
