## Perryville -LPSD – April, 2024

**To: Superintendent Kasie Luke  
and LPSD School Board Members**

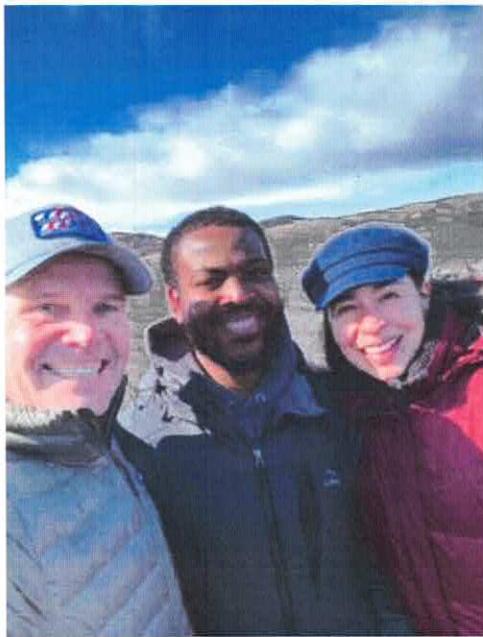

**From: Gary Lamar, Principal**

### **Outstanding Activities and Events**

Our jamboree went well as the students had a wonderful time. Thank you Ed for all of your advice and time you gave me to help out with this. Thank u Kasie and Bill for allowing us to have this wonderful time with our lpsd family. Thank u Theresa for all of the travel plans. And thank u Tammi for all the food you sent out as our students went home 5 pounds heavier. I know I caused you a lot of headaches asking for things and how u were able to get it out here so quick was amazing. And lastly I thank my local family here in Perryville, as with the whole year, they didn't let me down. From Austin, who officiated practically every game to Ralph who mopped, swept and cleaned all day and Dana from the Village office that supported our students with a big Pizza Party.. And to everyone else who helped us that I didn't mention,,,,,Thank u, Thank u,,,,,,We love our LPSD Family.....Gary

### Personnel

All positions are filled however our Cook has been gone for a couple of weeks and I am having to do most of the cooking. We are trying to get a temporary cook in the meantime.

### Standards Based System/Curriculum Progress

We are up to date and working hard to achieve our goals.

### Technology Insights

We have a flight simulator installed and our students are loving it. They are really having a great time leaning on this new technology.

### Facility Update

Things are running well.

### LSAC Activity

Great LSAC meeting in April as we decided on the calender and looked at the Jamboree and how it went

### Volunteer Report

No events

### Pupil % Attendance K-12

About 87%

### Student and Staff Safety

### Subsistence Calendar
