Board information or scheduled report	<input checked="" type="checkbox"/>

Background Information

The hearing will include a discussion about the 2024 Pay 2025 levy and the 2023-24 budget. The State uses various formulas to calculate several levy components, including referendum dollars. The District may accept or reduce those amounts, not raise them. The school district will consider approval of the final Pay 2025 levy.

Recommendation

None at this time.
