

Cedar Hill Independent School District
BOARD OF TRUSTEES

Meeting Date: January 11, 2010
Presented by: Mr. Horace Williams, Superintendent of Schools
Subject: Community Partnerships - Texas Workforce Commission

Information Item

BOARD GOAL:

Build the fund balance to be 25% of the General Fund budget

BACKGROUND INFORMATION:

The Texas Workforce Commission (TWC) receives federal funds to assist economically disadvantaged students with child care. The agency secures additional funds through match agreements with child care agencies and school districts. TWC has proposed such a match agreement with Cedar Hill ISD. Through this match agreement, the school district certifies the amount of money spent on child care within the district and TWC reports includes this amount of money in the reported amount of money spent on child care in Dallas County, for which the federal government provides additional to TWC. There is no financial exchange between CHISD and TWC. There is potential benefit to CHISD students through their Child Care Assistance provided by TWC. There is also potential benefit to CHISD in future endeavors. However, through this match agreement, there is no direct benefit to CHISD students.
