Tier 1 Live Streaming Online Instruction

Program Details

Congratulations! You are on your way to investing in high-quality live streaming online instruction for your students. We are thrilled with the opportunity to partner with true visionaries like you. Elevate K-12 is a unique and powerful program. We have created a live streaming online school within your actual school, designed to help students achieve their true potential and learn the skills and concepts that will support their future educational achievements. Our program closely monitors the progress of every student individually so that we can help increase their understanding, their test scores and support their specific needs.

North Slope Borough School District is investing in a high-quality live streaming online instruction program for a maximum number of students in each class for the specified content area(s). The Elevate K-12 large group class will be delivered online to the students through web (Elevate K-12 online platform) and the students will be in school during the class. The class will be delivered as a full semester program Monday through Friday. The Elevate K-12 class will be a blend of live streaming online instruction and project based learning opportunities.

The Total Budget includes the following for each classroom:

Overall Class Structure:

- The overall class structure will be a mix of
 - Live streaming online instruction delivery
 - Fun live activities

Live Online Instruction Delivery:

- The live online classroom will be delivered via web (Elevate K-12 online platform) in an actual school classroom.
- Each classroom and group will maintain the same dedicated instructor throughout the duration of the class unless a change is requested, or the instructor has an emergency leave.
- Each instructor undergoes rigorous training in the content area and specifically on effective live online instruction.
- The live online instructor will meet the certification requirements as stated by the school. Instructors will either be certified in the state, eligible for certification in the state, or certified in another state.

Quality and Project Management:

- Elevate K-12 will assign one Operations Manager (OM) for the School District Program held at designated School(s).
- District will assign one Classroom Manager (CM) to each classroom.

Tier 1 Live Streaming Online Instruction

- A Virtual Academic Performance Manager (APM) will monitor the performance of the instruction sessions virtually. Elevate K-12 assigns the APM.
- Each school must dedicate one school point of contact for the OM and APM.
- The various managers are dedicated to the program to ensure a strong fidelity of implementation.
- Elevate K-12 will also share periodic reports and information on student progress.

Equipment:

- **Elevate K-12 will provide:** speakers, camera, microphone(s), headsets (optional)
- **School will provide:** large screen, projector.

Progress Monitoring:

- The schools will be able to track student progress.
- The dedicated Elevate K-12 POC will also share periodic information with the school.

Program Information and Implementation:

- Generally it takes 2 weeks total for planning and implementation. Elevate K-12 will need 2 weeks for class and technology set up.
- We would like to complete all installations and pre-assessments as soon as possible. The school must provide all information about the program including:
 - Desired start date
 - Number of sessions or program dates/length
 - Number of students
 - Instructional ratio
 - Content areas
 - Grade levels
 - The technology set up at the school (Schools with no student laptops/desktops cannot use Tier 1)
 - Any hiring special needs, like certification or fingerprinting
