# INTERIOR

DESIGN RECAP

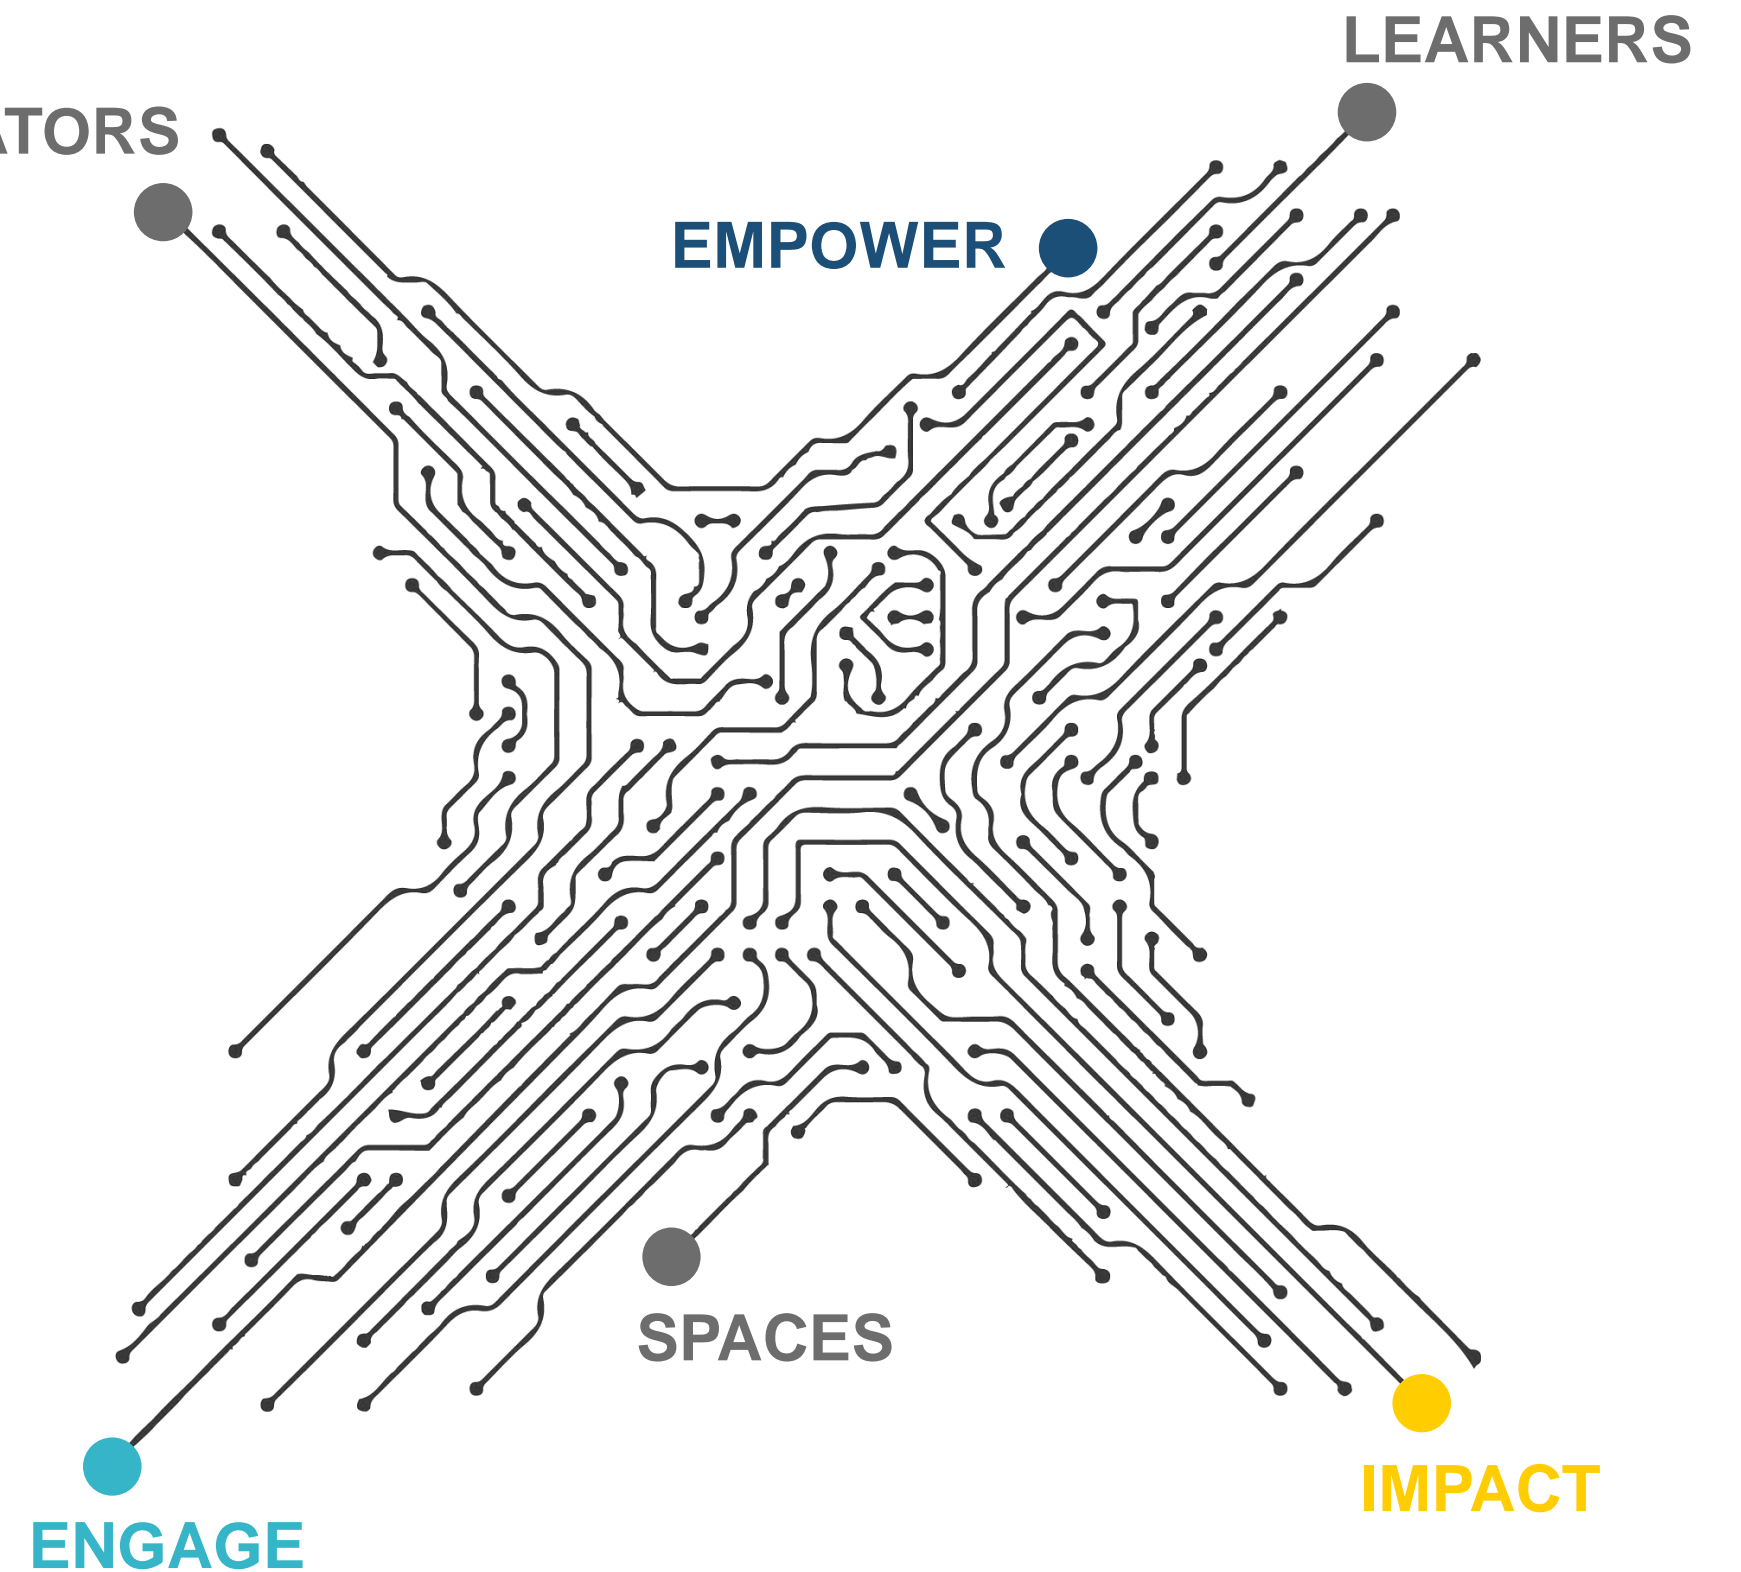

Empowering lifelong learners to be engaged citizens who positively impact their local and global community.

## INTERIOR CONCEPT

Denton Middle School #9 will be a **thought-provoking** and **invigorating** environment designed to leave an **imprint** on the members of its **community**. Representative of a **circuit**, the interior will foster **connections** between learners, facilitators, and spaces.

INTERIOR CONCEPT

**DENTON**  
INDEPENDENT SCHOOL DISTRICT

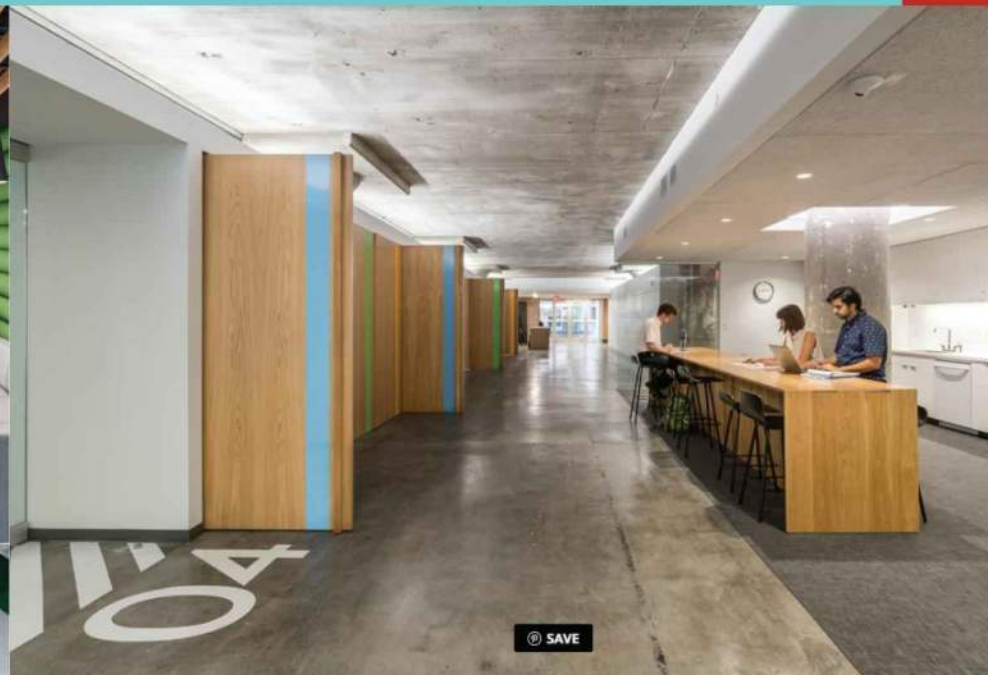

Stimulating colors, graphics, and textures will provide **innovative** yet **playful** wayfinding **solutions** offering a sense of **journey** as students **grow** into **intellectual, thoughtful** individuals.

## COLOR PALETTE

### INSPIRATION IMAGERY

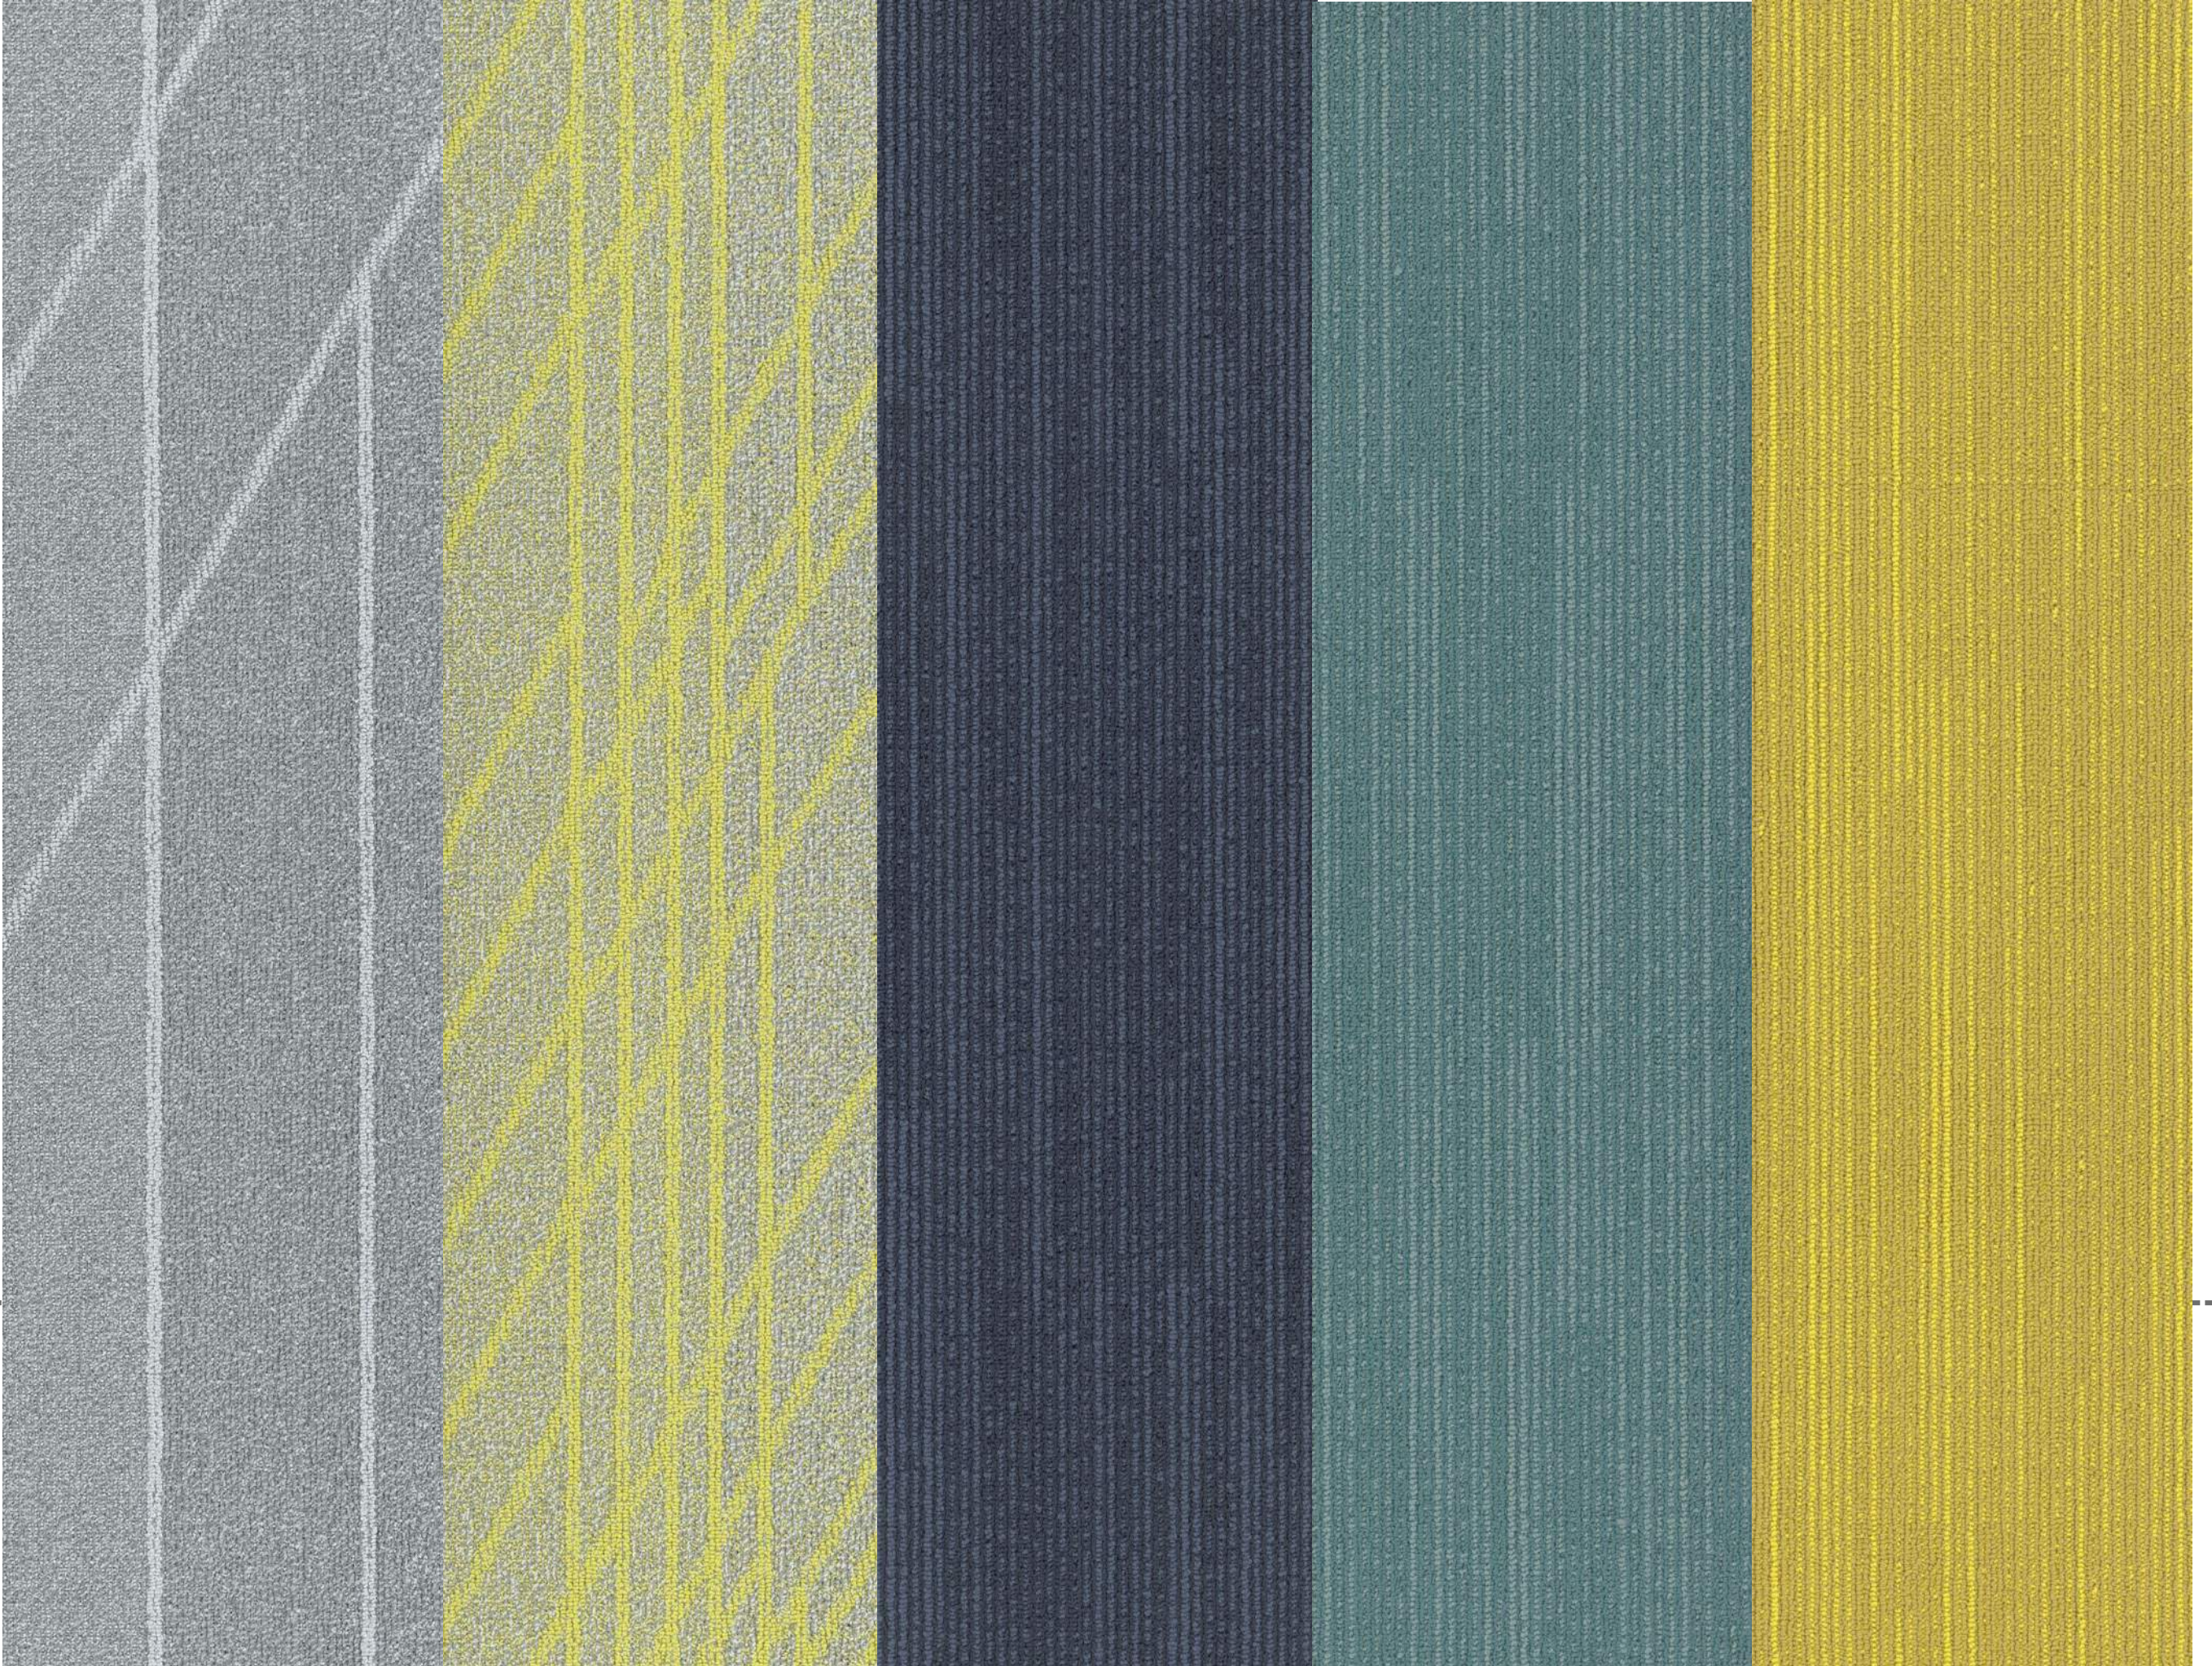

## Leaving an Imprint.

Engaging colors balanced with natural wood finishes increase focus and creativity while lowering feelings of stress and anxiety. Architectural elements, patterns, and graphics help to guide students on their educational journey.
