SUBJECT: Three-Year Technology Plan Update

DATE: June 19, 2015

During the board meeting on June 9th, 2015, I presented on the upcoming technology plan. During that meeting there were additional questions regarding a few of the items and confirmation of the action to be taken by the board. I was hoping to have those documents ready for the board packet today, but unfortunately, have a couple things I am finalizing. I will have them ready prior to the board meeting, as well as, a brief updated presentation.
