

Morris Area Schools Lawn Care bid for 2026-2028

We will submit a bid of \$40,000 for the 2026-2028 mowing season in 12 monthly payments for \$3333.33 per month.

Currently, if fertilizer and chemical costs for spraying/fertilizing remain the same, pricing will stay consistent of what has been over the past several years. Please let us know if you have any questions or concerns.

Thanks much!

Tyler Sack (320) 287-0555
