

Public Forum / Comments to the Board

Description

This agenda item is reserved for individuals who wish to address the Board. The Board will not directly respond to any comments unless a member has a question for clarification on the issue being presented. The superintendent will normally respond with a brief statement or will ask the concerned parent or taxpayer to arrange an appointment to further discuss his or her concern at a later date. The Board is prohibited from discussing any item not on the agenda. If the item is on the current agenda, it will be allowed just prior to the discussion of the item by the Board.
