Dear Tammy Taylor and Company,

I would like to thank you, and Love and Hemlock for your generous donation of clothing for our students and families that we help through our Family Resource Rooms. I just can't express to you how much this means to our students. They go through daily struggles with school, relationships, family problems, and so much uncertainty. When I have a student who thanks me for a shirt or a pair of shoes, it makes me feel good. It makes me appreciate what I have in my life and it makes me thankful for caring people, like yourself who want to help. Our area sees so much poverty and homelessness, which trickles into our schools. With your help we are able to serve our students and their families by offering them items provided by you. Our students are grateful and so am I. Our needs are great but your compassion and willingness to help is greater. We are very fortunate to have community members like you who know that for every student to be successful their basic needs must be met first. Your generosity helps us expand our ability to meet those needs, for the students and their families.

Warm Regards,
