HOME OF THE RAIDERS: NEWSLETTER 6.16.21

LETTER FROM THE PRINCIPAL

Dear Middle School Community,

We made it! This has truly been a year for the record books. In some ways, it has been the most memorable year of our lives and in others it has been one of the most challenging. We know how hard this has been for our teachers, students and our families. I am proud to be a member of this school and community because when times get tough we lean on each other and focus on what matters--our students, staff and you!

I am truly grateful for all the efforts that have gone into the last year. We started out with CDL only, moved to allowing some students on campus for Limited In Person in January, and finally we moved to Hybrid in March. I am humbled by what has been accomplished to support our students through this ever-changing year.

As we close out this year and begin working on the 2021-2022 school year, I want to share a few updates so we can all be prepared for a successful start to the school year.

A few important updates for the start of next year:

* Although planning is underway for next year, we do not know completely what school will look like in the fall. Oregon Department of Education is planning on sending out guidance in mid-July to support administrators in their planning for the year. I will let you know more about next year when I return to the office in early August.

Registration/Verification Information

1. If your student is already enrolled in the NKN District, there is no need to register on-line. You will be able to go on-line and update/verify that your information we have on file is

current. However, families that are new to the district can go on-line during August to register their students. More information on this will come in August.

2. The school office will be open beginning on August 9, from 7:30-4:00, Monday through Friday if you have questions. Phone is 503.355.2990.

3. August 19-20, 2021 - parents and students can come to the school and pay for any school fees.

School Supplies

School supply lists will be available at Fred Meyer in August. We will also email lists shortly.

Once again, I want to say thank you for all you've done to support NKN Middle School this year. We look forward to seeing you in the fall for what will be another incredible school year. I wish you a relaxing summer. Stay safe and healthy.

Sincerely,

Lori Dilbeck
Principal
