

**ECTOR COUNTY ISD**  
SCHOOL NUTRITION DEPARTMENT

**MEMORANDUM**

**TO:** TONYA TILLMAN  
**FROM:** Terry Gooch  
**DATE:** March 6, 2009  
**RE:** MEAL PRICES for 2009/2010

I recommend that student meal prices remain the same for the 2009/2010 school year. Meal prices increased for 2008/09, and we should be able to maintain those prices for at least another year.

The Breakfast for Champions program continues to provide a great number of students with the proper nutrition to get their day started. I sincerely believe this program should remain at no charge to those students as a means of assisting in the educational process.

Adult meal prices will remain approximately equal to the reimbursement and commodities received for free students. Therefore, we will continue to be within TDA and USDA regulations in regards to adult meal prices and adult meal services will not be supported by revenue from student meal services.

	<u>Current Meal Prices</u>	
	<u>Breakfast</u>	<u>Lunch</u>
Elementary Student	n/c	\$1.75
Secondary Student	\$1.00	\$2.00
Elem. Reduced-Price	n/c	\$ .40
Sec. Reduced-Price	\$ .30	\$ .40

Thank you for your continued support of this program.
