Q8 Please list one or two things you think we could do to improve the school foodservice program.

Answered: 36 Skipped: 14

#	RESPONSES	DATE
1	Love the variety of fruits and veggies offered every day. I think that there are plenty of different options on the menu every month. Kris Troutman does an amazing job preparing food each day, trying out new menu items and getting the kids' opinions on whether they like the food or not. Price is good, love the free breakfast for kids that don't get breakfast at home. Not much to improve - great job!	6/7/2019 1:38 AM
2	As already noted at GGS the children need more time to eat. I do question why school breakfast is free at GGS is free, but at the middle school it is not. I do not believe the need for this program magically disappears between fifth and sixth grade.	6/6/2019 2:00 AM
3	My son says to bring back pizza everyday.	6/5/2019 12:23 PM
4	I appreciate the efforts of the kitchen staff to accommodate students with varying dietary needs. I also appreciate the salad bars with fresh produce as well as the whole grain options.	6/5/2019 11:07 AM
5	It's fine by me. My child just wants to bring his own.	6/5/2019 9:34 AM
6	As far as I have been told, meals are great	6/5/2019 9:33 AM
7	None thing	6/5/2019 9:31 AM
8	Nothing	6/5/2019 9:30 AM
9	Dairy free options	6/5/2019 8:11 AM
10	Make it cheaper for parents to eat with their children.	6/5/2019 8:03 AM
11	Serve quality food made from scratch instead of heat and eat food. I don't feel like we're sending a good message to children about healthy food choices when we pull stuff from the freezer and heat it up.	6/5/2019 1:05 AM
12	Give all children free lunch.	6/4/2019 3:25 AM
13	Seasonings are not against the food rules, please ask the staff to use them. Provide healthy options rather than food from a freezer.	6/4/2019 3:08 AM
14	Cook real food not processed. Everything being basically frozen convenience food gives children the impression this is the way to eat. This is not a healthy way of eating.	6/4/2019 1:02 AM
15	Additional healthy choices. Build you own salad bar?	6/3/2019 2:43 PM
16	Have healthy options	6/3/2019 12:39 PM
17	not sure	6/3/2019 12:06 PM
18	A better selection of foods that teenagers like to eat. And better quality.	6/3/2019 11:33 AM
19	The portion size of the food needs to be increased!! Also it had no flavor!! Offer a better variety or at least have a burger option every day. My child thinks the food is gross every day!	6/3/2019 11:22 AM
20	More food served (the same food amounts for young kids and teenagers leaves them hungry)	6/3/2019 9:58 AM
21	Good vegetarian options	6/3/2019 9:36 AM
22	Make it more affordable	6/3/2019 9:32 AM
23	Update the menu regularly. I have seen many times where the menu wasn't changed	6/3/2019 8:45 AM
24	Food quality Good flavor	6/3/2019 8:34 AM
25	Please serve meals that are not so laden with breads and processed food and instead serve fresh meats and veggies	6/3/2019 8:32 AM
26	1. 2.	6/3/2019 8:27 AM

27	More Salad Bar & Taco Bar Options. Less fried foods like Corn Dogs and Crispy Chicken. A Blueberry muffin is not breakfast, it's dessert.	6/3/2019 7:49 AM
28	Cook real food, not frozen garbage	6/3/2019 7:40 AM
29	Allow students to build their lunch plate from a buffet. Make their own sandwich, salad, etc.	6/3/2019 7:39 AM
30	The quality, taste and selection of the food is very poor	6/3/2019 7:29 AM
31	Source fresh local clean ingredients from local food system	6/1/2019 3:46 AM
32	Having made from scratch meals would make me more interested in buying school lunch because I would know that my child was not getting pumped full of sodium and chemical preservatives,	5/31/2019 8:53 AM
33	More fresh vegetables and fruits. Less processed.	5/31/2019 5:50 AM
34	EVERYTHING. NO SYSCO, YOU SHOULD MAKE IT HOMEMADE.	5/31/2019 2:26 AM
35	Have good food, like we had in the 90s. Things that even adults would look forward to eating. . Just the odor alone when you are heating up the chicken salad...yuck. Poor kids its like a hostage situation.	5/30/2019 2:04 PM
36	Give an option besides the menu item every day. Like pizza.	5/30/2019 9:48 AM

Q9 What does your child say about school meals?

Answered: 43 Skipped: 7

#	RESPONSES	DATE
1	My kids have their favorite menu items each month to have hot lunch. They are pretty picky eaters (my fault!?), so they eat hot lunch once or twice a week and I pack them a lunch from home the other days.	6/7/2019 1:38 AM
2	My GGS student is a very picky eater, but he has eaten school lunch more this year than in past years. He complains about not enough time to eat. My middle schooler eats school lunch everyday and has not really made any comments one way or the other.	6/6/2019 2:00 AM
3	He's never tried them before, but they seem to be split 50-50 when it comes to quality. Some are okay, and others are not.	6/5/2019 12:23 PM
4	One child reads the menu each month to highlight meals he would like to eat. He eats lunch at school about half the time. The other child chooses not to eat lunch at school largely because she is vegetarian and the line is very long. She recently realized that she could access vegetarian lunch on a part time basis.	6/5/2019 11:07 AM
5	They would rather bring their own lunch.	6/5/2019 9:45 AM
6	They're not mentioned.	6/5/2019 9:34 AM

10	Too greasy and too much dairy	6/5/2019 8:11 AM
11	He likes them. Even on a day that he isn't excited about the food he is always happy to see Kris. But not the other lady. He says she isnt very nice.	6/5/2019 8:03 AM
12	They are not very excited about the quality.	6/5/2019 1:11 AM
13	That it looks disgusting and there's no flavor.	6/5/2019 1:05 AM
14	They are ok.	6/4/2019 3:25 AM
15	She is a vegetarian and there are not many options for her. And having just the salad bar isn't providing a meal option for her.	6/4/2019 3:08 AM
16	gross	6/4/2019 1:02 AM
17	Has said it never looks good, but is slightly pickier than in MS.	6/3/2019 3:10 PM
18	One of my kiddos likes the pineapple on the pizza. The other wishes you had some without it.	6/3/2019 2:43 PM

20	seems ambivalent	6/3/2019 12:06 PM
21	They don't like alot of the selections they are offered and that's why he doesn't eat much.	6/3/2019 11:33 AM
22	Small portions and is gross	6/3/2019 11:22 AM
23	Meh-usually only ate when didn't have time to pack his own lunch	6/3/2019 9:58 AM
24	They're "fine" and no good vegetarian options.	6/3/2019 9:36 AM
25	My child doesn't eat school meals	6/3/2019 9:32 AM
26	They don't like it or it taste bad.	6/3/2019 8:45 AM
