

District Handbooks: Appoint Level I and Level II Child Abuse Investigators

Background:

Each year a School Board should reappoint its investigators of alleged child abuse complaints against school staff. This information must be published in the student handbook.

Last year the district appointed the building principals (only) as the primary and alternate child abuse investigators. These individuals are required to attend special training annually for this assignment.

The Level Two Child Abuse Investigators were local law enforcement.

Recommended Action:

I recommend the reappointment of the Level One Child Abuse Investigators as listed below with local law enforcement designated as the Level Two Child Abuse Investigators.

- Primary Level I Investigators
Elementary Counselor Ann Plagge
Secondary Principal Greg Fisher
- Alternate Level I Investigators
Elementary Principal Mark Young
Secondary Counselor Ethan Albertson
- Level II Investigators
Belmond Police Department
