CONSENT ITEM

RECOMMENDATION:

To approve the 2025-2026 Agreement with Crossing Bridges Counseling to provide counseling services for Judson ISD students and families.

IMPACT/RATIONALE:

Crossing Bridges Counseling will provide contract services for our wraparound program to assist our Judson ISD students and families. Services include wraparound center and school-based individual or group counseling. This agreement will allow Judson ISD to partner with Crossing Bridges Counseling for students and families who are experiencing a gap or delay in services due to extensive waiting lists, lack of available services or out of pocket expenses. Programming costs covered through the American Rescue Plan Act Grant that was awarded in March 2023. Grant funds are dedicated for counseling services to meet student and family needs. Program costs are based on services provided and not given based on a flat fee. The grant is billed based on use of services by Judson ISD families and students. Counseling services may be requested by school counselors, social workers, administrators or families directly.
