

October

Greetings Evergreen Families,

With temperatures eventually dropping we know that more students will be wearing layers. Please remember to write your child's name inside their belongings. "Family Math Night", a Title event, is fast approaching. This year it will be on October 10th, beginning at 5pm. Dinner is provided. There are a few items surrounding Halloween that I would like to address. With stores stocked with candy for Halloween it can be tempting to put a couple pieces in your child's lunchbox. We ask that families don't send candy with students, as they often eat it first. Please instead look for healthy alternatives. Students need that extra boost in the morning, sending items with your child like cheese sticks, peanut butter crackers, meat and cheese, etc. are packed with protein. "Remember when shopping for costumes, if you intend for your child to wear it to school on Thursday the 31st, please note their costumes can not disrupt learning or be in the way of other students. We also ask that costumes do not contain gore or are scary in nature, this helps with our youngest students. Thank you! Please check over our Newsletter for upcoming events like Trunk or Treat, and items such as Site Council and PTO meetings.

Sincerely, Jenny Mohr

PTO Trunk or
Treat -
Sunday,
October 27th
3-5

Costumes are welcome
at school Thursday, 31st.
Costumes can not disrupt learning of
the students. No blood, gore or
violence. No masks in classrooms.

- This Month**
- **Oct 10th- Title Family Math Night 5-7**
 - **Oct 14th - PTO Meeting (2:30pm)**
 - **Oct 21st - Site Council Meeting (3pm)**
 - **Oct 31st Halloween**

Silliness from the desk of Mrs. Jones

How do leaves travel from town to town?
A: With autumn-mobiles.
